

## **Greater Christ Temple Church**

***"It Ends and Begins Here...at the Cross"***

Greetings GCT Family and Friends!

It has been three weeks since the churches in Colorado, as well as churches around the country have been displaced from corporate worship. Please be mindful that the church is not the physical building, but the church is within each one of us. Therefore, let us not squander this opportunity during this historical shut-in time to build on your own personal relationship with God and to strengthen your families.

Easter is Sunday, April 12<sup>th</sup> and this will be the first time, at least in our lifetime, that we are required to celebrate and observe Easter separated from the physical church. Fret not, neither let not your heart be troubled. Easter will continue to go forward. I invite everyone to make plans to celebrate Easter with us at 11:00 AM (MST) on LIVE STREAM only. GCT is committed to doing its part to limit the spread of this highly infectious and contagious disease called COVID-19. Therefore, I encourage GCT members to continue to refrain from physically attending worship services until further notice. However, people with immediate spiritual needs may attend church services on Sunday from 11:00am to 12:00pm. An immediate need consist of those needing to be water baptized; those desiring to tarry for the infilling of the Holy Ghost; and for those who need access to an elder or minister to lay hands on them, pray for them, and anoint theirs heads with oil.

This too shall pass. As a church we will get through this deadly plague and pandemic. The prophet Isaiah admonishes us to, "Go, my people, enter your rooms and shut the doors behind you; hide yourselves for a little while until his wrath has passed by" (Isaiah 26:20). Therefore, I encourage you to keep trusting God; keep praying; keep believing; and stay in God's hedge of protection.

I look forward to once again fellowshiping with my GCT family in due season. I love you all dearly, and I will continue to pray for you and your loved-one's health and welfare during these difficult times.

Prayerfully,
