In response to the widespread concern about the COVID-19 "Coronavirus," I want to assure you that we at Mt. Zion MBC are taking this seriously but without panic. Our trust is in the Lord but we will also take the following precautions.

What we are doing:

1. We will continue our services as usual unless the situation demands a cancellation.
2. We will continue to video our services and the DVD's should be available within the week for those who may not be able to attend.
3. As usual, hand sanitizer will be provided in the foyer and other gathering places as long as it is available.
4. We will run the HVAC system to keep air moving and leave classroom and other passageway doors open to enhance ventilation and therefore reduce the transmission of airborne viruses.
5. Our fellowship time in the order of worship will be suspended until further notice to avoid unnecessary contact to help minimize the spread of any contagions.

What we ask you to do:

1. Please take the most effective precaution against the virus – washing your hands thoroughly and often.
2. Please do not come to church if you are feverish or have any other symptoms of a compromised immune system.
3. Please forgive others for not shaking hands or hugging...smiles are always contagious, yet without harm!
4. We believe strongly in the power of prayer! Let's all pray for rapid recovery and healing for those who have been infected with the virus and for a quick demise of the virus itself.

PRAYER REQUESTS
