MT. ZION MOBILE AND ONLINE GIVING

How Does It Work?

Givelify has made the process as simple as ever. To get started, download the Givelify mobile giving app from the App Store or Google Play.

After you have downloaded the app, follow these steps:

1. Sign in
2. Search for "Mt. Zion MBC, Malvern AR" and set us as your home page
3. Tap "Give Tithe & Offerings"
4. Select the amount you wish to give or type in your own amount
5. Tap "Give now"

The very first time you give to Mt Zion MBC, you will be prompted to enter your credit or debit card information. That information will be saved in **your** account for future mobile giving app donations.

For further information or answers to other questions, see the FAQ section on the back of this church bulletin or just go to the Givelify website at www.givelify.com

PRAYER REQUESTS

We will be glad to join with you in praying for your specific needs. Please write your request here and place it in the offering plate or hand it to an usher.

Please pray for:

() Private Prayer Request () Public Prayer Request

Requested by: _____ Telephone _____

DECISIONS

- () I'd like someone to contact me to pray over more confidential matters.
- () I'd like to speak with someone about my relationship with God.
- () I'd like to speak with someone about getting more involved with this church.

SPECIFIC RECOMMENDATIONS FOR KEEPING YOU AND YOUR CHURCH FAMILY SAFE AND HEALTHY

Please don't come if you have a fever or cough.

If you have these symptoms, contact your health provider:

- Fever
- Cough
- Shortness of breath

Since there is currently no vaccine to prevent coronavirus disease 2019 (COVID-19), the best way to prevent illness is to avoid being exposed to this virus. Follow these CDC guidelines:

- Avoid close contact with people who are sick.
- Avoid touching your eyes, nose, and mouth.
- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.
- Follow CDC's recommendations for using a facemask.
CDC does not recommend that people who are well wear a face mask to protect themselves from respiratory diseases, including COVID-19.
Face masks should be used by people who show symptoms of COVID-19 to help prevent the spread of the disease to others.
- Wash your hands often with soap and water for at least 20 seconds (long enough to sing "Jesus Loves Me"), especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing.
If soap and water are not readily available, use an alcohol-based hand sanitizer with at least 60% alcohol. Always wash hands with soap and water if hands are visibly dirty.
