SANCTITY OF HUMAN LIFE SUNDAY!

The Pregnancy Support Center and Hope House Maternity Home is preparing for Sanctity of Human Life Sunday, January 21st. This marks the 45th anniversary of the Roe v. Wade decision that legalized abortion on demand.

Over the past years Southern Baptists have adopted resolutions championing the sanctity of human life by stating their opposition to abortion and promoting pro-life alternatives.

We have baby bottles in the classrooms to fill with your spare change to bring attention to this and to help support the Pregnancy Center. Please know that **"Your Change Can Change A Life."**

LIFE VERSE AND PRAYER SERVICE

Sunday, January 28, 6:00 p.m.
Please come and share your life verse with us and join us in prayer.

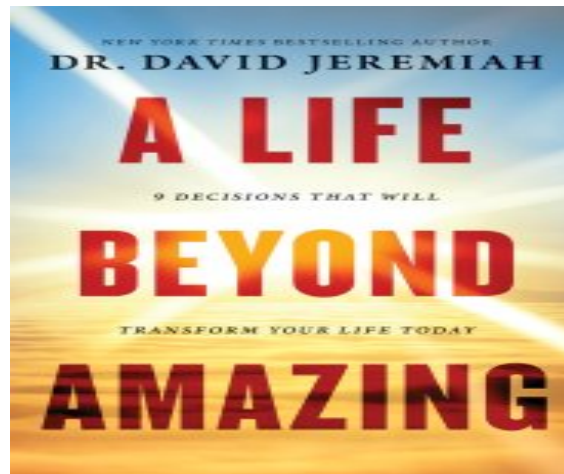

Let's all take Bro. Norman's advice and "Go Get Em". Invite your friends and neighbors to come to church. Offer to pick them up and bring them. We all need to do our part to help our church grow.

READING IS RELAXING!

Don't forget our church library is open 30 minutes before the Sunday School.

There is a book in the library by Dr. David Jeremiah entitled "A Life Beyond Amazing." In this book Dr. Jeremiah uncovers God's strategy for change and challenges us to make nine important decisions that will transform our hearts, our lives, and our worlds. Dr. Jeremiah believes an unfulfilled life is no way to exist. Check out this book and see what he says are ways to have a fulfilled life.

There are other books by Dr. Jeremiah in the library so please check one out today.

BRING YOUR SPARE CHANGE TO CHURCH SUNDAY AND LET'S FILL AS MANY BABY BOTTLES AS WE CAN!
