NEW ASSOCIATIONAL OFFICE

The Lord has opened the door for the Top O' Texas Association to move from the education building located in First Baptist Church to a building owned by the Association. The Farm Bureau Insurance Agency is planning to move to a new location in the near future and First Baptist Church was able to buy their building located at 500 W. Kingsmill. First Baptist then offered the building to our association to serve as our associational office. The building has been updated in many ways and will not require a lot of work but will be ready for us to move in when the agency moves. Our Administrative team and all other pastors in the association are excited and have begun the process to buy the building and we will be able to move in debt free with all of our churches participating. The Administrative team is asking each church between now and our associational meeting in October, to raise at least \$650 to give to the purchase of the building. I am asking our church to begin giving now as the Lord leads you to give an offering designated to this purchase. You can

bring it by the church office or place it in a church envelope and mark it associational gift. We want to give our share of \$650 and more, which will help with the set up and any improvements that need to be made. We will collect the money from each church the night of the meeting in a Chest of Joash at the beginning of our service. This is an exciting time for our association and for Central Baptist. Please pray about your gift and let's follow the Lord and purchase this building together. God Bless.

I love you,
Norman
