ADULT 6/7 FELLOWSHIP!

The Adult 6/7 Sunday School Department will have their Summer Fellowship Thursday evening at 6:00 p.m. Come and enjoy this time of fellowship!

Dear Church Family,

Over the last several months it has become evident that our Challenger has become more and more redundant. We have things happening but not on a day-by-day basis and sometimes week by week. It just does not seem right to keep repeating the same thing week by week just to send something out to you. I have visited with our secretaries and with the deacon body and we all agree that doing our Challenger once a month would be a more feasible way to inform you of the happenings in our church. This would not only be cost effective for our church it would allow us to be better stewards with the information from our church month by month.

Doing this by the month would allow us to put in a new format for our Challenger and identify the activities of our youth, music, Sunday School and other areas of concern. We would also include a monthly calendar with the activities listed there as well. We will continue mailing the Challenger to those on the list and also continue putting it on the website for

those that view it there. If something should happen during the month and we need to get information to you this can be done in various ways and we would implement the best way for that information. We really believe this is best for our church at this time.

Our business meeting is scheduled for July 18 at 6:30 at the beginning of prayer meeting and this will be on the agenda as an information topic allowing you to ask questions and express concerns. I will be glad to answer any and all of your questions at that time or any time. Thank you for working with us on this and we look forward to greater days ahead for Central.

I love you all

Norman
