NEW CHALLENGER!

Our new monthly Challenger will be sent out the last week of August for September. In order to have it as accurate as possible, please have any information on activities, etc. to us no later than Friday, August 24th for September. We think you will like the new format, but please bear with us as we work out all the kinks. We want to make it the best we can.

FLU SHOT CLINIC!

We will be having a flu shot clinic on September 20th from 2:00-4:00 in the Adult 6/7 room. Be watching for more details in the September Challenger.

DISASTER RELIEF TRAINING!

For those who have wanted to be trained as a yellow cap in Disaster Relief or who have not had a refresher course in the last two years will want to be a part of this training. On Saturday, August 18th we will have two trainings that day. Beginning at 9:00 a.m. we will have a Disaster Relief Laundry and Shower Unit training. It will be about how to use and do the laundry and shower unit correctly and up to code for state disaster relief standards. Beginning at 12:30 after a sandwich lunch we will begin the yellow cap training provided we have enough people that desire to be trained. FYI; one needs to be trained in yellow cap before they can be trained in the DR Laundry and Shower work. Thanks.
