REACH TEXAS 2016

“WHO IS MY NEIGHBOR?”

This is the theme for this year's Reach Texas. It is an encouragement and a challenge for us to get to know our neighbors and take the time to lovingly share the gospel of Jesus Christ with them. Our neighbor is more than the person next door. It is also those in the next block, across town, in our workplace or in our class at school. We can encourage, invite and share the love of our God. When you give to the Reach Texas every dime goes to helping plant new churches, support our state missionaries and provide resources for sharing the gospel with our neighbor across Texas. Pray about your gift to Reach Texas 2016.

SEE YOU AT THE POLE!

SEPTEMBER 28

Pray for our youth as they pray!

"PRAY 31!"

There is not a doubt in anyone's mind about the need to pray for our nation especially in this election year. So many troubling things are happening and so many answers are being given except the only true answer---This nation needs God!!

On Sunday September 25 during Sunday School and church we will be giving each of you a booklet to use as you pray through the month of October. The booklet will provide a guide each day concerning specific things we need to pray for in our country. It will also ask you to pray for specific states in our nation and when the month is over you will have prayed for every state in the union. We will be praying through the guide but also this will help us to pray for specific things on our hearts.

We must make up our minds to vote this year and not excuse ourselves just because. Pray for God's guidance and this coming election that we can turn our nation back to God!!

We need God and He told us: "If my people will pray!" Will you.
