

Yes, most of your prayers worked. I had a round trip ticket to Africa, some may have been praying for a one way ticket. The trip to Kenya was one of the highlights of my life. I learned much in my walk with the Lord Jesus. Working with pastors in the Maasai Tribe was like a homecoming event for me. Thank all of you for praying.

In the kingdom of God there is a need for unity in every church, in every home and in every person. The Unity Conference, April 30, 2011, may be the most important meeting of the century. The Lord Jesus is the one calling us all to unity when He prayed: ... "for them also which shall believe on me through their word. That they all may be one; as thou, Father, art in me, and I in thee, that they also may be one in us: that the world may believe that thou has sent me." Maybe the world does not believe in Jesus because we are not in unity with Him!

The Unity Conference could be the beginning of the fulfillment of the prayer of Jesus in our lives. Please make this a priority.

Keep Looking Up,  
Dan

### HEART MEDICINE

PROVERBS 17:22

A woman was sharing with a friend her husband's state of mind: "Walter's psychiatrist has done him a world of good. He used to refuse to answer the phone when it rang. Now he answers it even when it doesn't ring."

A stout businessman took his suitcase from the luggage ramp at the Fresno airport and huffed to the airline's courtesy desk. "What's the meaning of this?" he demanded, showing the agent the large, red-lettered handling tag tied to his suitcase handle. "I'm well aware of my weight problem, but what right does your airline have to comment on it in public?" The agent read the tag: FAT "That," she explained, "is the destination code for this airport."
