

The Belize Mission trip is a vital opportunity for all of us to pray in Eastern Baptist Association. The dates for this trip are August 1-7. There will be around 100 on the team from across the state of New Mexico. There is an open door presented by the Government Board of Education in Belize to use the Bible Story Cloth to teach all the teachers in all of the schools. This will be a part of the Teacher Training for the teachers just before school starts in Belize.

Pray for the protection of the team, the resources for the team and the reception of the team. This project is under the authority of the Word at Work Ministries from Amarillo, Texas. Tim Tam is the leader of this organization which has been working on many projects for several years in Belize. The Word at Work Ministries has prepared the way for the training of teachers to use the Bible Story Cloth. These stories are powerful.

Every church in our state is invited to pray for God's work to be done in Belize. Join us in this important project.

Keep Looking Up,
Dan Pearce

HEART MEDICINE

PROVERBS 17:22

A first grade teacher collected old, well-known proverbs. She gave each child in her class the first half of a proverb, and asked them to come up with the rest. Here are some choice replies:

- As you shall make your bed so ... shall you mess it up.
- Strike while the ... bug is close.
- Its always darkest before ... daylight savings time.
- You can lead a horse to water but ... how?
- Don't bite the hand that ... looks dirty.
- You can't teach an old dog new ... math.
- If you lie down with the dogs ... you'll stink in the morning.
- A penny saved is ... not much.
