

It is time for a Missionary Home to be established in Clovis. The old Eastern Baptist Associational Office could be restored to a home to house missionaries and their families. The home could be used to house ministry guests for our churches if we do not have a missionary in the home at the time.

Our Missionary home needs a major overhaul. The kitchen needs everything as it only has a bare floor. Some have suggested that we need \$40,000 to \$50,000 to finish the home. Most of the home needs flooring, furniture and decorations. A Sunday School Class, a Church or a Deacon Body could adopt a room to finish. Eastern Baptist Association Executive Team has offered to invest \$20,000. Tucumcari Baptist Association could help with this project.

James and Jill Judd stayed in the home for seven months and blessed many of our churches. While there, the Judds helped us to see the need for a remodel. If you and or your church wants to be a part of this project now is the time to connect. Call us at the office. We are putting together a committee in August.

Diaper Changing and  
Nursing Moms Booth

BCNM provides a needed service at the New Mexico State Fair by providing diaper changing and nursing moms booths at the fair. You could be involved this year, too! The state fair runs from Sept 10-20. BCNM provides admission tickets, equipping and all

the supplies needed for those working the booths. If you are interested, please make plans to attend the equipping session on Thursday, Sept 3 from 6-8 at the BCNM office building. A meal will be provided for those attending. A schedule will be made that night allowing workers to reserve their date and time of service for the fair. Call Cheryl Vaughn at 505-924-2314 to reserve your place for equipping and your meal.
