

## Ministry ♥ House

### Welcome to Our New Residents!

**Here's an introduction:** We are Perry and Donna Logerstedt and have served together with the International Mission Board since 1993. After a year of language study in France, we lived in the Ivory Coast, Guinea, and now Senegal. We have partnered in church planting, worked as strategy coordinators, facilitated volunteers, and now serve in theological education and leadership training.

We have four adult children who all grew up in West Africa. We are currently in the States helping our youngest get settled into college. Donna was born in Albuquerque and lived there for part of her childhood but spent most of her growing up years in

Texas. Her parents are both from New Mexico and her mother currently lives in Albuquerque. Perry is a native of Montana and grew up attending a small Southern Baptist church that had a large heart for missions.

We are so very thankful for the ministry house in Clovis and look forward to the opportunity to meet and share with the churches in your associations. We can come on Sunday, or mid-week, depending on what works best for your church. Just e-mail us at perrydonna@mail.com (not gmail.com) and we will work to schedule something with you based on our availability. May He strengthen each of you for the daily tasks He has prepared for you!

## Who Will God Provide To Be Our Next Leader?

The search continues for our next Director of Missions. The Search Committee has received some résumés. They are also working on the expectations and salary package for the position. Continue to keep them and the person God is directing our way in prayer.

Due to unrepairable wear and tear on two of the elements (Caterpillar and the Big House), they have had to be removed from the trailer. There are still the slide, Castle, bungee run, and obstacle course elements available. If other elements are purchased in the future, we will let you know!
