

A surprise took place a few days ago. Someone said that peoples' lives in prison were being changed by something I wrote about in November. One lady that read about the Thanksgiving 30 Day Scripture Writing Plan sent a letter to a nephew that was in prison; at the last moment she sent a copy of the 30-Day Challenge. When the young man received the letter, he started taking the challenge. Then he shared how it had affected his life with those in his prison and they requested a copy. He began making a handwritten copy for his friends and they began doing the plan and then it spread even more.

The Thanksgiving 30 Day Scripture Writing Plan is life changing. Will you take the challenge? Will you share the plan with others and encourage them to take the challenge? I will take the challenge again.

Keep looking up,
Dan Pearce
