Eastern Border Baptist Associations Newsletter

Changing the lives of our two grandchildren, ages 8 and 10, became an adventure. My wife and I found a way that the grandkids did not use any technology for 5 days and had a blast. We took them to the Ute Lake Camp Meeting and we hope to do it again this year. Just observing our grandchildren at camp was a great joy to us. We camped out in a RV trailer with running water, great meals and wonderful teaching and preaching. There were many fun-filled activities for all of us but especially for the kids. The drama and skit time was wonderful for all that took part. My grandson thought it was one of the most glorious times of his 10 short years. There were new friends for the grandkids as there were lots of kids at the camp.

tion some years ago and is still going strong. Everything is in place with many more camping sites available. If you camp, there is a fee to be paid to the New Mexico State Parks. Everything else is free. There is a free will offering but without pressure.

I believe that our grandkids will be forever changed by taking them to the Camp Meeting. The camp meeting is designed for the entire family. At the end of every day we listened to all the stories that the grandkids shared and laughed and enjoyed it fully. The kids sure did sleep good and woke up eager for the new day coming, never once remembering their iPad.

The Ute Lake Camp Meeting will begin this year with setup on Wednesday, June 13th and teardown Sunday morning before church time, June 17th. There is a place for every person for one service or for the entire week. Ya'll Come!

If you have never been a part of an old-fashioned camp meeting, you're missing something special. This camp meeting began being sponsored by the Tucumcari Baptist Associa-

Keep looking up
