

Eastern Border Associations

As chairman of the Joint Association Search Committee, I have the privilege of informing you that we are currently praying about and seeking the direction the Lord would have us go in order to find the right person to lead us into the next exciting phase of associational kingdom work. I am asking you to join the committee in a season of prayer for wisdom because we do not have all the answers. Association work has changed through the years and the average church member doesn't even know how a Director of Missions' work really affects them.

I would like to introduce you to your search committee: from Eastern Baptist Association, Mark McAfee (Ranchvale), David McFadden (Portales), Michael Kirby (Clovis); from Tucumcari Baptist Association, Michael Erwin (San Jon), Beau Lamb (Santa Rosa), Chairman John Hinze (Tucumcari). All of these men represent all shapes and sizes of churches.

We want to be transparent at all times with the process, so each Association Executive Team has had the opportunity to give valuable input into the process. If

you have any questions please feel free to call me at (575) 403-7682 or email me at pastorjohn@fbctuc.com. Also, please feel free to contact any member of the search committee. Elaine Williford will continue to give ministry assistance out of the office in Clovis.

Our churches have the most important message to give to the world: the gospel of Jesus Christ is the only way of salvation. The association of churches can do together what one church alone finds impossible. We need to be urgent about making disciples and we need a leader that will support and challenge each church to make a difference. We are looking for that kind of leader to help us make the necessary changes to help us all make a difference. That is how you can pray for your search team as we look for our next leader.

Blessings,
John Hinze

to be our next leader?

Dan Pearce received a money/card tree from Brad Morgan as a token of appreciation for his service at the Semi-Annual meeting in Parkland Church last month. All attendees were blessed to hear Dan's final message as our DOM.
