

We should always be thankful to a Lord and Savior that cares about everything we are and do. Can you make a list of things that you are thankful for? Some of my list is shown below.

I am grateful that the political season has changed and that my king is not from Washington. I am grateful for every church and every believer that has remained faithful to our Lord Jesus Christ. In the midst of many difficulties pastors defend, feed and love the people they serve. Wow. I am grateful for that. I'm always thankful for the deacons and church leaders that love and defend their pastor. The wife and family that God has allowed me to have bring me to my knees in gratitude. I am thankful for the air that I breathe and the food and shelter that my God has provided. I have learned to be thankful in all things even when some things are very difficult to thank God for.

One of the ways to show gratitude to God for all he has done is to invite a person to your Thanksgiving celebration that has no one to be with. Try that one on for size.

Keep looking up,  
Dan
