As He Leads, We Will Follow!!

We continue to walk in the open doors of television broadcast through Time Warner Cable Co., in the Orange County, CA area. Responding Recovery Television remains open to now 12 various cities because God has so ordained and allowed this message of hope to continue. Because this is a public access station, there are no available ways to track it's effectiveness other than those viewers who let us know by email, phone, through our website or personal communication. There are no funds that support this effort. There are no volunteer phone lines. There are no means to track the number of those who may have invited Jesus into their lives, after the invitation given by Jerry Liversage (at the close of each broadcast). However, we believe that God has had a defined purpose from the first broadcast to include the present and future programming's. We feel as though He is aligning us for additional opportunities to infiltrate the airwaves and speak Jesus into the atmosphere of untold lives. We do not make any claims, which major Christian broadcasters may make, as we are but a small effort. But we do know there are many who have heard and responded to Jesus who is the only star in God's Kingdom. It is He who is establishing His Kingdom inside those who "just happen" to turn their channel by this broadcast. Keep praying!

"Go to the street corners and invite to the banquet anyone you find."

Romans 10:13-15

For Everyone who calls on the name of the Lord will be saved. But how can they call on him to save them unless they believe in him? And how can they believe in him if they have never heard about him? And how can they hear about him unless someone tells them? And how will anyone go and tell them without being sent? NLT

Jerry continues to preach the message of hope and the Life of Christ at various venues as God opens doors. We thank you for your prayerful support as we walk through opportunities to proclaim this supernatural life changing message of Jesus.

WHAT IS APOSTASY? -Apostasy is a turning against God. Those who do so abandon and publicly cast off their former beliefs. The term generally refers to a deliberate disowning of the faith by a once sincere believer rather than a state of ignorance or mistaken knowledge. Apostasy is different from heresy, which is denial of a part of the faith. It is also not the same as transfer of allegiance from one religious body to another within the same faith. Also, it is possible to deny the faith, as Peter once did, and then at a later time reaffirm it. Originally, "apostasy" meant literal rebellion. Thus the Jews were described as "rebels" against King Artaxerxes. Old Testament descriptions of spiritual rebellion include departure from the law, forsaking temple worship, and willful disobedience toward God himself. The prophetic writings of Isaiah and Jeremiah provide many examples of people who abandoned the faith. Israelite kings were often guilty of apostasy. In New Testament times many disciples withdrew from Christ. The most notorious example was Judas Iscariot. Prompted by a satanic impulse, and a self-centered mission Judas betrayed Jesus; however, after recognizing that he was deceived, out of remorse he took his own life. With damaged pride and humiliated ego, rather than turning to Jesus, Judas, originally a loyal disciple, turned against him. Rather than repentance, he continued to sear his own heart by refusing and turning from the Author of Life, Jesus. Judas, moved by his own greed, yielded to his selfish instincts, not realizing that Jesus would consequently be tried and killed. Upon learning the outcome of his betrayal, he committed suicide. In James 1:13-15 we find these words: *"And remember, when you are being tempted, do not say, "God is tempting me." God is never tempted to do wrong, and he never tempts anyone else. Temptation comes from our own desires, which entice us and drag us away. These desires give birth to sinful actions. And when sin is allowed to grow, it gives birth to death. NLT*

This old disastrous topic certainly speaks to us today! America as a whole to include some Christian circles have followed this path. The temptation to listen and adhere to other truths (man's ideas) rather than the TRUTH (Jesus) is ever increasing!

Our only hope yesterday and today has always been responding and immersing in Jesus who promises to produce His life in us "if" we live in John 15. Read it!!!

If you have not been to our web lately, you may want to make a return visit. Along with information points, which are highlighted in the yellow shaded area (next to this article), we have added an additional item. On the top of the "Home" page, you will notice a new category entitled "Sermons." In this section, we will begin to upload various past public video recording speaking engagements to include various church worship services and motel outreaches. There is also an audio only national Bible study and panel discussion link. The audio only link will notice a new light panel Bible studies where Jerry presented a past study through Cross Style Ministries based in Tennessee. Cross Style Ministries is led by Dr. Stephen Manley, a long time friend of Jerry, and is open to pastors, leaders or anyone who simply would like to gather around God's spiritual banquet table for the bread of life. We hope this new addition may be a place of interest to you.
