**What is Denial?** As we continue to live through this World-wide Pandemic, which has literally changed everything around us, there are those who deny the fact we are living in prophetic Biblical times and have somehow trusted that things will return to “normal.” Well, we are now living in and through the **new normal** with more to come!

The dictionary defines denial as;

*“Do all the good you can, By all*

*the action of declaring something to be untrue” or “failure to acknowledge an unacceptable truth or emotion or to admit it into consciousness, as used as a defense mechanism.”*

These are exciting times to be a committed follower of Jesus Christ. His claims are true from the first prophecy of Himself found in Genesis 3:15 to the last

*the means you can, In all the ways you can, In all the places you can At all the times you can, To all the*

word in Revelation 22:21, which is..... AMEN!

God will always have the First and Last Word.

Whatever we as Christians are going to do for the cause of Jesus Christ, it is NOW! The time to respond to His invitation of living in His Holiness, is NOW! And the time to be separated for His exclusive use (sanctification), is now, WHILE THERE IS STILL TIME! Will you respond?

*people you can, As long as ever you can.”*

*— John Wesley =  
Evangelist and  
Author, 1703-  
1791*

## **Future Announcement**

*We are praying and planning for the expansion of a new ministry work in Beaumont/Cherry Valley, CA.*

*We believe a mission field is waiting due to the phenomenal growth of industry and housing, which continues to multiply in this area.*

*For an example...*

*Beaumont is currently growing at a rate of 3.65% annually and its population has increased by 48.97% since the most recent census, which recorded a population of 36,877 in 2010. Beaumont reached it's highest population of 54,937 in 2021. Spanning over 30 miles, Beaumont has a population density of 1,812 people per square mile.*

*Several new businesses have also been added to the surrounding areas such as a new, over 1 million square foot distribution facility, which includes Amazon.*

*Cherry Valley has a 2020 population of 8,115. Though its population is smaller in comparison to Beaumont, it has increased by 27.55% since the most recent census, which recorded a population of 6,362 in 2010. Cherry Valley reached it's highest population 2021.*

*This area is also adding an enormous distribution facility. The 1.8 million square foot facility project, which is currently being built, will include two buildings with 300 bay doors on 230 acres – 144 acres of which would be developed. Similar in square footage to the Skechers distribution center in Moreno Valley, the project site is west of Beaumont between Calimesa and the unincorporated community of Cherry Valley.*

*By the empowerment of God, we believe our new ministry vision, which has already begun, will grow in the days ahead as the Holy Spirit leads. More information will be given in our next newsletter publication.*

**Jerry Liversage's new book “Presence, Power, and Purpose in a Lying World” deals with the Counterfeit World Kingdom, which appears to be genuine, authentic, and real. The sole purpose and mission of this elusive, deceptive Kingdom are to deceive and lead you away from the Triune Presence of God, the Power of God, and the**

Sin has caused all of God's creation to fall from the state of truth, perfection and grandeur to an alluring counterfeit maze of deception, lies, and destruction.
