A look at what Christ is doing through
Faith United Methodist Church, Trenton, Michigan
Serving God and community since 1958

January 2021

In 2020 the upheaval of our lives created a collection of disorientation

and resourcefulness. January 1 will be a day of reflection, anticipation, and transition. As we reflect on this past year many will remember grief and strain. Yet, we can also give thanks. For Joy and me, we give thanks that we made it through 2020 safely and for God providing, and a deep appreciation for simple blessings, such as the sunlight shining through the window and the smiles of friends. Many things we took for granted are now reasons for giving thanks.

As we look forward to 2021, Joy and I will give thanks for a vaccine to help protect her as an RN. We also look forward to a year spent with you, Faith UMC. I anticipate all of us will face a time of transition, and we will have to face our apprehensions about being together and relearn how to reengage. As we take steps to curb the current upsurge, we will eventually resume activities in a new way. It may be many months off, but the day will come.

As I reflect on our life as a congregation I see how we valiantly found new ways of being the church. I am deeply grateful for:

- Staff who constantly adjusted and found new ways to reach people with God's love. They embodied the perseverance of the Holy Spirit.
- Leaders who graciously stepped up putting the purpose of God, the church, and the people above personal preferences. Jesus was a servant leader, and our leaders are following and leading like Jesus.

- Our congregation supported one another, prayed for one another, and participated with a great spirit! Whatever the weather, people attended worship with a "can do" spirit. Many found constructive ways to connect and meet, while continuing ministries such as the "mini-bazaar".

Our spiritual outlook is great for the coming year. We sustained the most challenging year in our history. God provided for our church and sustained us by His grace. Our current financial outlook for 2021 is mixed. First, the Finance Team thanks the many families who increased their pledges or kept their pledges at the same level. It is essential for our ministry. The Finance Team also is grateful for new families who pledged. However, currently many families who pledged in 2020 have not yet submitted a pledge for 2021. Last year, our commitments totaled \$191,190 and for 2021 they currently total \$146,582. The Finance Committee is proposing a budget with about a 10% reduction in expenses. The remainder of the budget involves building usage, operating expenses, staff salaries, Conference apportionments, and mortgage. The budget will be submitted to Administrative Council in early January. Between now and then, we hope to receive more pledges, so we can continue our current ministries, otherwise further reductions will be made. We have faith in God's provision and you. Thank you for all you do. Together, we embody and enable Faith in the downriver region.

Gratefully serving our Lord with you,
Pastor Wayne

P.S. If needed, an Estimate of Giving form can be found on the last page of this newsletter.

Hello Faith Friends:

Time is really flying by. It feels like just last week I was writing the

December Faith Connections article!

I have told you that many of our ChristNet churches are fulfilling a "host week" of providing dinners for one week for our guests who are being sheltered overnight at a local motel. I have had positive response from you about Faith participating and have agreed on the week of **February 28 – March 6, 2021.**

The plan is that this will be done much in the same manner we would prepare dinners during a normal host week. We will have a coordinator for each night of the week and need volunteers to assist in preparation. Meals will be packaged in carry out containers and delivered to the motel at 6:00 p.m. each night. There are many things to talk about and we will somehow meet in late January – in person or on Zoom – to discuss and organize.

In the meantime, if you would like to be involved, **please give me a call.** Our host week this year will be very different from years past, but still enables us to continue our mission to serve the homeless in our community and surrounding communities. Please join us!

As this year of many challenges and sadness comes to an end, I am thankful for the love and caring of our Faith family. I wish you a very Joyous Christmas and a New Year filled with good health, renewed friendships and God's blessings. Please keep our ChristNet guests in your prayers.

Happy New Year from your Faith United Methodist Women!

A most Happy New Year to you all from your Faith UMW! We are sure this year will be looking up for all our parishioners. Let us help you with a few happy thoughts.

First, thanks to your support, we United Methodist Women made \$2265.50 from our truly mini-Bazaar. We are thrilled. We did not know how this was going to work out, but it did! Thanks to all who worked and supported this effort. And thanks to April Rossmann who got us organized! UMW get work done!

In January, UMW will be meeting to set our budget, and, yes, to organize small group activities for the winter months. We hope to have several small-group activities in Compton Hall for all of us to attend to break up the winter doldrums. We will use masks and practice safe social distancing. We will let you know about these in the February newsletter. We may even start in January, so watch our notices in Faith's weekly emails from always helpful, Karin.

Again, Faith United Methodist Women would like to thank Pastor Wayne for his support and encouragement with all our activities. Pastor support makes things happen!

Take care in our New Year and God Bless.

January 2021

"Your word is a lamp to my feet and a light to my path."

Psalms 119:105

As we welcome in the New Year, we open our hearts and our minds to the love and light of Christ. When I was in the 5th grade, I joined a Christian girl's group, The Pioneer Girls. We as new Christians learned and committed this verse to heart: "Your word is a lamp to my feet and a light to my path." I've never forgotten it and know that when times seemed dark and I couldn't see the light at the end of the tunnel this verse often came into my mind as a reminder. God is with us all the time. He is the light in our life always offering guidance.

In late January, Confirmation Class material will be integrated into the youth programs. For youth who already went through Confirmation a couple of years ago, it will be a fresh look at faith. It will be offered to all youth. So, check the church website, TrentonFaith.com for more information.

I am constantly trying to find new ways to share what the Youth are doing and what the upcoming events will be. I have decided the best way for you and for me, will be to provide weekly updates on the church website. If you are not familiar with the website, check it out. I will also continue to send out a bi-weekly email with current events and text messages.

I am looking for some interested members in the youth group to assist me with some of these communications. So, if you are interested, reach out to me.

Here are a few of the activities planned for January and February, for more detailed information be sure

to check out the church website TrentonFaith.com under the Youth Fueled by Faith tab.

- **January Card Blessings** – the youth group will each be given one or two names from our Prayer List and send these individuals a card lifting this person up!
- **Weather Day** – Let's go sledding one afternoon! We can sled or maybe snowshoe...in a local area. Everyone can bring their own hot cocoa and I will bring a snack.
- We will hold a **TALENT SHOW**, each student can pre-record their specific talent no matter how great or small it may be. It can be playing a tune on their instrument, sharing a dance routine, or juggling ice cubes. Something entertaining and funny! Then, I will share the videos one evening during Youth Group via Zoom and we can have a secret ballot to choose the best act.
- **Netflix Watch party**, I will take one suggestion from each member who would like to participate, of an appropriate short film (based on a specific topic) to watch on a given evening. Then, we will discuss it afterwards or during...sharing our thoughts about the show. A higher tech term would be a Netflixparty.com!
- Let's have a **Cooking Show**, where we all bake the same yummy treat. We can have a member of our Youth group host and guide us in the baking steps of a recipe of their choosing.
- A **Dare Competition**: Dares can make parents and myself feel on edge. Who wouldn't be compelled to participate!? We will have a list of fun, appropriate challenges to choose from, then students can video themselves challenging other students to participate in some dares. Things like build a log cabin with a bunch of hotdogs, see how many ice cubes you can stack on your bare stomach, or see how many marshmallows you can cram in your mouth at one time. The options are endless and challenge suggestions can be made by You. Each competitor will send in their video challenge and we'll have a Zoom Watch Party, and we'll pick one winner for each dare. The winners will receive a fun Amazon prize. You can do multiple dares a day, or do one dare each day!

See you in the New Year!

Hello Faith Families!

Happy New Year Faith's Families! It's hard to believe that 2020 is behind us--it often felt like a whole decade wrapped into

one year! But, as I reflect on 2020 and think about the birth of Christ, I feel very thankful for the past year and hopeful for the new one. I hope that each of you can see the hope, peace, joy and love that our Heavenly Father brings us, not only during the holidays, but each and every day.

Knowing this holiday season would look different this year, I started planning back in early fall how I could help our families make a memorial Advent season at home. Each family received an Advent kit with the book, "Faithful Families for Advent and Christmas" and items to do some of the activities from the book with their children or grandchildren. I got to see a lot of pictures of how our families used the kits throughout Advent--I was so pleased how creative you all are!

I also shared with our families a Christmas Storybook Walk along our church walkway. Libraries and communities all over the country have been sharing deconstructed books on signs that children can enjoy reading, as well as spending time in nature! I brought this concept to Faith Church and created a Storybook Walk for the book, "All the Colors of Christmas" by Matthew Paul Turner. My hope was not only to share this outdoor Christmas activity with our church families, but also with the families in our community.

As we look forward to January, I will continue to bring weekly lessons and playlists. I am also hoping to add some more family-at-home activities to help break up the winter blues. Check back often on Faith's Families Facebook page for updates and lessons. And, as our children head back to school this month, continue to pray for them and the variety of learning environments they are in. Also pray for our teachers and parents that they can help meet the needs of all our children.

May God's peace be with you in the new year and always!

Heather Stefan, Sunday School Coordinator

heatherstefanrd@gmail.com

A Happy Thanksgiving and a Merry Christmas is what our Faith family so generously provided for so many children and their parents in spite of the virus. 68 - \$5-10 toys

were donated for the Soup Kitchens Christmas dinner with take-out dinners and Santa who gave each child a gift.

Gift cards were given to the families we help for a Thanksgiving dinner. Christmas food boxes were packed including a ham for 19 families along with 37 children who received a \$25 gift from so many of you. An \$800 donation from Meijer took care of extra costs.

The Food Pantry, Soup Kitchen, and lunches for the homeless were also given funds during this trying time.

Thank you, thank you, and thank you!

God bless you all for caring and sharing. I know it took extra planning to get your donations to the church. This was much appreciated. A BIG Thank you to Karin for all her help and direction.

Dolly Cocking, Hunger

CAREGIVER SUPPORT GROUP

Caregiving is never an easy task. We know it is often appreciated and it can be rewarding, but it is not ever easy. Our support group at Faith was created many years ago to provide a setting where we can share information and support one another. We hope it has been helpful.

During these difficult times of COVID, problems may seem or become even bigger and we want you to know that we are here for you. Whether you are a member of our group or even if you have never come, if there's information you think we might be able to provide or if you'd like to talk, or you just need a listening ear, feel free to call either or both of us. Know that you are in our prayers and remember that self-care is important too.

Our Caregiver Support Group meets at Faith on the FIRST Monday of each month from 7-8:30 P.M. in Compton Hall. Social distancing will be observed. Please wear a mask, and bring your own beverage. We'll provide the snack.

Peace and Blessings,

stewardship CAMPAIGN UPDATE

2020 is rapidly drawing to a close - couldn't happen fast enough, you say? As we head into the New Year, hope remains in our hearts - for the COVID Vaccine, for healing of our divisions and moving to a more normal schedule. The Church is now in the process of setting the budget for the coming year. It is important to have everyone's pledge card so we can make some decisions for 2021. Thanks to everyone who turned in pledge cards so far, this year! Considering that many people still aren't coming by the church regularly, we have had good participation. You still have time to send in your pledge card, so please forward in the mail or e-mail your pledge to Cindy Allison, so we can commit to our staffing and programming for next year.

Yours in Christ,
Amy Lester, Stewardship Chair
