

STEWARDSHIP MINUTE

Money is an integral part of our lives, because so much of life revolves around it. In God's Word, we find many references to money and possessions. In fact, it is one of the most discussed topics in Scripture. The Bible helps us see that our faith influences how we handle money, and we also see that how we handle it influences our faith. Faith and money intersect constantly. Jesus tells us that we are to serve God rather than to be slaves to money and possessions. We cannot worship the Almighty and the almighty dollar. With God's help, we can fix our eyes and hearts on Jesus and serve Him only.
