

Dear brothers and sisters in Christ,

Greetings to you in Christ, who is the light of the world.

Our Fair Stand Committee had met in August to discuss how best to operate St. John's Fair Stand. It was determined that more information needed to be gathered so informed decisions could be made to improve the operation of the Fair Stand.

St. John Lutheran Church has operated the Fair Stand for several decades now. We have many memories of how we worked together at the start and how things changed over time. Over the years the proceeds from our Fair Stand has been a blessing to the congregation in her work and over time the congregation has become dependent on it. On average the Stand raises \$40,000 to support the work done at Sauers. However, through the years with the changes in our culture it has become challenging to fill the work schedules and those tasks that need to be done so the Faith Stand runs smoothly. Please take a few moments to answer these questions so we can plan the future of St. John's Fair Stand. You may mail in your response, bring it to the church office, or email it to sisoffice.hsawyer@gmail.com
