
New Life Presbyterian Church

August 19, 2018

10:30 a.m.

Welcome to this Lord's Day Worship. We rejoice that you are here!

NLPC Mission Statement (June 2016)

Assured of the new life we have received in Christ, we will live out our faith together through worship, prayer, education, fellowship, and mission.

Being called to love all people, we will use our gifts to serve God in an imperfect world.

Equipped with our faith and filled with the Spirit, we will:

- *reach out in acceptance to a diverse community;
- *embrace the marginalized and show love to all;
- *feed the hungry and care for the sick;
- *search for peace and work for justice.

Child Care is available during our worship service.
Ask an usher for the location of the Childcare Room.

Large Print Bulletins, Hymnals, and Bibles are available.

Participating in Worship

Worship Leader:	Rev. Mary Bahr-Jones, Pastor
Music Director:	Edyta Jaros
Liturgist:	Marge Kunz
Ushers:	Francis Booth, Bruce Duff, Jodie Horan and Don Soule

Service for the Lord's Day
13th Sunday after Pentecost
Season of Creation

GATHERING IN GOD'S NAME

WELCOME / ANNOUNCEMENTS

PRELUDE

RESPONSIVE CALL TO WORSHIP

We come to you, Creator God,
*Give us a vision of the Human Christ
Walking along the Sea of Galilee
Calling the fishermen to come and follow.*

We come to you, Creator God,
*Help us to express the love of the Resurrected Christ
Who appeared to his disciples along the Sea
Restoring Peter after his denial of Jesus,
And calling his disciples to continue to follow.*

We come to you, Creator God,
*Teach us to live in hope that the Living Christ
Is renewing ALL of creation with his infinite love
That wraps around us like the ocean blankets our earth.*

We come to you, Creator God,
Ready to worship Christ our Lord
In company with the surging seas and roaring oceans.
O Creator God, we come to you!

*HYMN #37 *Let All Things Now Living*

CALL TO CONFESSION

RESPONSIVE PRAYER OF CONFESSION

Creator God,
You have stretched the oceans like a blanket
 across our blue green planet, providing us the waters of life.

We confess that we were born as members of a planet community
 Dependent upon these deep blue waters enabling life,
Yet we pollute the life-giving waters with our plastics and debris.

Forgive our narrow vision

AND

Open our eyes to the precious nature of the oceans and the seas.

We confess that we see the oceans as mighty and indestructible
 So we ignore the dangers of acid rain caused by global warming
 Which kills the coral reefs that provide a home
 For a myriad of sea creatures.

Forgive us our human arrogance

AND

Teach us to protect the fragile environments of the watery deep.

We confess that in our thoughtlessness and greed,

We have treated the ocean's abundance of sea life

As an infinite source of protein to fill our insatiable appetites,

Over-fishing the oceans by emptying them with our nets.

Forgive us our self-focus

AND

Guide us to becoming the redemptive hands of Christ:

Protecting the waters of the ocean,

Preserving the coral reefs, and

Bringing healing to the dwindling populations of sea creatures .

ASSURANCE OF PARDON

SHARING CHRIST'S PEACE

...May the peace of our Lord Jesus Christ be with you!

And also with you.

Please share the peace of Jesus with those worshipping around you..

RESPONDING TO THE WORD

*HYMN #639 *O Sing a New Song* Cantor: Alex Jones

PRAYERS OF THE PEOPLE

Let us pray.

O Creator God,...

...We ask this in the name of Jesus Christ, WHO...

...Taught his disciples to pray together, saying:

LORD'S PRAYER

Our Father, who art in heaven, hallowed be thy name. Thy kingdom come, thy will be done on earth as it is in heaven. Give us this day our daily bread, and forgive us our debts, as we forgive our debtors. And lead us not into temptation, but deliver us from evil, for thine is the kingdom, and the power, and the glory forever. Amen.

*CHARGE AND BLESSING

May the Spirit of our Creator God, ...

...Go in peace! Serving Christ and loving Creation!

We will go in peace, serve Christ and love Creation.

POSTLUDE

New Life Opportunities & Announcements

Coffee Time- Please join your fellow NLPC members and guests in a time of fellowship following the service this morning. Everyone is welcome!

Liturgists Needed! . Check out the liturgist sign up sheet posted across from Pastor Mary's office with many opportunities for willing liturgists. No experience is necessary! If you can serve at one of our worship services, we would love to have your help so sign up today! We look forward to hearing many voices from our congregation lead us in praise each Sunday!

Notes and reflections on this week's sermon:

Today's liturgy inspired/ adapted from the following resources: webofcreation.org; letallcreationpraise.org; seasonofcreation.com; stranzdocs.blogspot.com; patheos.com, env-stewardship.com, Sermon by John Paarlberg @ First Church of Albany (2014).

Blood Drive Results

43 Pints Collected; 129 Lives Saved

NLPC hosted our 3rd Blood Drive of 2018 on August 16, collecting 43 units and saving 129 lives. 46 people presented themselves to donate blood; 37 donated Whole Blood, 3 donated Double-Red, and 5 were deferred for minor medical reasons. Our community continues to demonstrate the high value they place on "the Pie Church's" blood drives as 43 of the 46 donors were from the community at large and three are members of NLPC. Thank-you to all three NLPC blood donors, and to all members of NLPC's Life Saving Teams: 1) Baking Team of Julie Angyal, Lynn Booth, Sharon Gire, Lori Haralson, Margaret North, and Amy Shoults, 2) Canteen Hosting Team of Lou Angyal, Lynn and Francis Booth, Becky Piatek, James Tomlinson, and Marilyn Wright, 3) Signs by Bob Hitchcock, and 4) Scheduling and Facilitation by Shelley Claeys. Year to date NLPC has collect 123 units of blood, saving 369 lives. NLPC's next Blood Drive is Thursday, November 15.

NLPC Deacons Fund

The Deacons support many worthwhile missions in our community such as The Salvation Army Soup Kitchen and Turning Point in addition to our four Mission Basket drives each year. These activities would not be possible without the generous support of our NLPC members and friends. Over the past year we have had a significant reduction in our funding and our bake sales do not provide enough funding for our causes. In an effort to replenish our resources, we will be designating the third Sunday of each month as "Deacon Sunday". We are hopeful that you will consider making a donation to the Deacons Fund in order to help us continue our mission activities into the future. Envelopes are available in the pews for your convenience. Thank you for your support.

Greeters Needed!

We are in need of greeters to welcome all who enter our doors each Sunday. No experience is necessary, just sign up on the bulletin board and arrive with a smile on Sunday! The sign up sheet is posted across from Pastor Mary's office with many opportunities. Thank you in advance for being the face of our warm and welcoming congregation.

The Minister's Memo-A Cosmic Remix

In the beginning, the Spirit of God hovered in nothingness, so God said: "Let there be light!"; and there was a BIG BANG! Light burst forth speeding in all directions generating space. God saw that the light was good, and God saw that the light reflected the purity of Christ, so the Creator God made light to be the essence of his cosmic creation. So there was light and space the first moment.

And God said: "Let there be particles of matter and let the matter be separate from the light!"; so from the light emerged protons, neutrons and electrons. The protons and neutrons fused together into positive ions. Then as the universe began to cool, the ions began to dance with the electrons. And it was so. God called the dancing particles atoms. And there was a very long Epoch.

And God said: "Let the atoms gather together into clusters." And it was so. The atoms gathered into clouds, which began to collapse upon themselves. As the clouds collapsed they began to spin forming nebulae. God saw that it was good. Then God said: "Let the matter at the center of a nebula form a sun, and let the matter at the edges of a nebula form planets." And it was so. Solar systems formed with a sun at the center and planets orbiting around each sun. Comets and asteroids danced through the solar systems with the planets. And God saw that it was good. And there was another long Epoch.

And God said: "Let the heavy elements sink to the center of the Earth and let the light elements rise to the surface, where they will cool to form a solid mantle around the Earth's core." And it was so. With the molten core swirling beneath it, the mantle began to shift creating volcanoes that released gases into the atmosphere. Then God said: "Let dancing comets and asteroids collide with the earth." And it was so. A colossal comet collided with the Earth catapulting pieces of the mantle into space, where the pieces formed into a moon orbiting the Earth. Frozen comets and asteroids collided with the Earth bringing water. With each collision, the waters grew around the solid mantle forming a great Sea. And God saw that it was good. And there was another Epoch.

And God said: "Let the mantle continue to shift so that the volcanoes create dry land." And it was so. God called the hot dry land earth and God called the waters sea. Then rain fell and formed pools of fresh warm water in the hot dry earth. In the warm pools molecules danced in the heat of the earth and in the light of the sun and formed the seeds of life. Then God said: "Let these carbon molecules form life." And it was so. The carbon molecules formed into globules floating in the water, and the chemical reactions became self-sustaining. Over time cells of bacteria emerged. God saw that life was good. And there was another Epoch.

And God said: "Let the bacteria capture energy from the sunlight." And it was so. Cyanobacteria emerged, which could capture sunlight using carbon dioxide. The cyanobacteria used carbon dioxide from the atmosphere and gave off oxygen. And God saw that it was good. Then God said: "Let the single cells of bacteria merge into multi-celled creatures." And it was so. Cells gathered together and developed organelles that allowed the cells to specialize. The organelle that specialized in photosynthesis was green, so multi-celled creatures with green chloroplasts emerged as green algae and green plants. And God saw that it was good. And there was another Epoch.

Eco-Friendly Tidbits

PROTECTING OUR WATERWAYS FROM POLLUTANTS:

Reduce use of chemicals inside and out. Use green detergents and household cleaners ... or make your own. (Liquid dish detergent and baking soda make a great replacement for Softscrub that is more environmentally friendly.) Never pour chemicals, medicines, oil or paint into the sewer in the streets, into your sinks or into your toilets. Check with your county's household hazardous waste program to properly dispose of or recycle chemicals. Cut back on your use of lawn fertilizer and insecticides. Inspect your vehicles to make sure they are not leaking oil or other fluids ... what drips on your driveway eventually ends up in the ocean. Let's keep our chemicals out of our waterways and oceans!

Summertime...

Summer is here and with it comes the joy of vacation travel! We hope that you take advantage of the wonderful weather and have the opportunity to share this blissful time with family and friends. While the travels of summer may take you away from our worshipping community, we ask that you keep current with your pledge commitments through these summer weeks. Even though you may take a

Listening for God's Whisper

In our effort to listen for God's guidance at this pivotal moment in the life of our church, the Session has posted a book on the bulletin board in the hall. This book –entitled Old and New – is for ideas. The church leadership would like to hear about your ideas of things the church family might do to be more hospitable to both friends and strangers. These could be things that the church has done in the past, which we could do again, or they could be things that the church has never tried.

Please, share your thoughts with your church leaders ... you never know when God is whispering to us through you!

Summer Music!

Sing a song, play an instrument, recite your favorite Bible passage, inspirational poem or get a group together and put on a short skit or choral reading.

Sign-up on the Bulletin Board to say you will share your gifts with us this summer!

Have Yarn, Will Knit!

Our Prayer Shawl Ministry is in need of yarn donations to help replenish our supply of prayer shawls. We are grateful for any yarn you may be able to donate (please be sure it is machine washable). It doesn't have to be new, full skeins, either! Becky Piatek has offered to collect yarn and create shawls using even very small amounts of yarn! So, if you have yarn that is left over from a project, please bring it to church and Becky will put it to use. Contact her with any questions at 813-848-4473.- If you have the talent and time to help create shawls, please let Pastor Mary know. Yarn can be supplied if needed. Thank you for your help in providing comfort

Presbyterian Coffee Project

The Presbyterian Coffee Project offers a special link between congregations and communities around the world. Churches can now reach out to neighbors overseas not only with the prayers and offerings we give, but with the goods and products we purchase. A warm cup of coffee (or tea) in our hands is perhaps the most tangible daily connection we have with farmers around the world. Buying fair trade through the Presbyterian Coffee Project ensures that more of the money we spend on coffee reaches the hardworking farmers who actually grow it.

The next **fair trade** product order is being assembled. Individual 12oz bags of coffee are \$6 (reg) and \$8 (decaf). Tea is \$4.50 for a 20 bag box and cocoa is \$7.50 for a 12 oz can. Consider splitting a case order with a friend to get a better price. Other products are also available, see Stanley Iobst for more information.

Church Communication

Would you like to have a church event or announcement included in the Newsletter or Sunday bulletin? Would you like to invite church members to a special event? Please submit a Publication Request form to the church office for all announcements to be included in the Newsletter and/or Sunday bulletin. The deadline for Sunday bulletin publication is the prior Wednesday. Request forms can be found on the bulletin board outside the church office. You can also email your request to office@newlifepresby.org.

Thank you for your cooperation in keeping the lines of communication open here at New Life Presbyterian Church.

Congregational Care Fund

New Life Presbyterian Church has established a Congregational Care Fund to assist members of the congregation when they face unexpected crises. Over the past years we have been able to help members who have faced problems such as unexpected loss of employment, mortgage foreclosure, illness and other things. The assistance we have been able to provide to individual members has made a genuine difference in helping stabilize their lives. Much of the fund has come through individual donations from members of the congregation. If you would like to make a contribution, please include a note indicating it is to be allocated to the congregational care fund. This fund makes it possible to provide assistance where appropriate. Thank you for your consideration.

Have You
Paid Your
Per Capita?

2018 Per Capita

One of the regular expenses in the church budget is Per Capita, a yearly apportionment that each Presbyterian congregation is asked to pay to cover the administrative costs of the governing bodies. Your Per Capita contribution allows our mission dollars to be spent directly on mission projects rather than on the costs of administering a mission.

Per Capita for the year 2018 is \$26.33 per church member. The total apportionment for New Life Presbyterian Church is \$5,213.34 . This is how much more New Life would have available for programs and missions if each member paid their per capita for the year. You may use the blue "Per Capita" envelope included with your offering envelope pack or clearly mark your contribution as "per capita". Feel free to contact the church office for more details on Per Capita contributions.

**Please join us at 11:45AM in Agape Hall for light refreshments.
12:00 PM Sunday School
Childcare is available from 10:00AM-1:00PM.**

By providing educational opportunities for all ages our mission is to deepen knowledge and understanding of the Bible, strengthen relationships with Christ, increase the desire to share our faith and to grow Christian leaders both within and outside the church community.

Sunday School/ VBS

Thank you to all who attended our *Polar Blast* Vacation Bible School Program in June. We hope everyone is enjoying a wonderful summer and we look forward to returning on September 16th with a great Sunday School program for all!

Prayer Group

Thursdays: 11:00 am – NOON

The Greek word for Gospel is evangelium. It means simply “good news.” It is the root of the word “evangelism.” Before Jesus ascended, he commanded his followers to go into the world as his witnesses. In response, the Apostles faithfully went out into the world and became evangelists. Evangelism is a word that makes most Presbyterians recoil. Any suggestion that we should be evangelists makes us run for the hills! Yet, as followers of Jesus we are, indeed, called by Jesus to share the Good News about him. On Thursdays at 11:00, our Prayer Group will be studying what it means to be Contagious Christians. Come join us as we learn how to become the kind of Christians, who break the “evangelism” stereotype, yet share the Good News about Jesus.

Faith Lessons Video Series-

Mondays: 10:30 am – 11:45 am in Agape Hall

On July 9 we began another study from the Faith Lessons Series. Experience the places of history recorded in the Bible for yourself. This in-depth Bible study, which is recorded on location, will visit the archeological sites of the Early Church. In this study, Ray Vander Laan—a noted historian and teacher—will help us to understand what gave the early believers the passion to go out into the world and found the Church. Join us to gain a better understanding of how the early followers became a light in the darkness of the ancient world and deepen your own faith through that understanding.
