

## “How To Talk to God”

*Scripture: I John 5:14-* “Now this is the confidence that we have in Him, that if we ask anything according to His will, He hears us.”

In life, some things we do are easy and then other things are hard. It maybe easy to believe in something you can see like cake on a plate, but harder to believe that your parents are going to take you to Pelican’s to get a sno-cone. It is the same way with God, it is may be easy to believe in the things we can see, but harder to believe in a God we haven’t seen. However, just because we cannot see Him doesn’t mean He isn’t there. Let me give you another example of things that are easy vs. hard.

IT IS EASY    To walk down stairs  
                  To float down stream  
                  To play all day  
                  To eat ice cream        but...

IT IS HARD    To climb a hill  
                  To obey adults  
                  To do your chores  
                  To take insults        but...

Have you ever wondered how a big God can truly hear everyone at the same time? Have you ever wondered if God was too busy for you or thought your problem was not that important? God is always near to hear you when you need to talk. That is what Prayer is – just talking to God. You don’t have to be fancy, just tell HIM what is bothering you or what you need help with. Just talk to Him like you would talk to your best friend. He loves you and He cares about everything that you care about. Nothing is too big or too small. God will help you to be strong and do the right thing. Let’s try it!

*Prayer:* Dear Jesus, thank you for my family and friends. Help me understand that prayer is not hard, but rather it is just a conversation with you. Help me “Talk” to you daily as a friend. Thank you for loving me and taking the time to care for me and the things that are important to me. In Jesus name, Amen!
