

## *Royalty's Finest*

*Scripture: On his robe and on his thigh he has this name written: KING OF KINGS AND LORD OF LORDS. ~ Revelation 19:16*

How many of you would like to be a prince or a princess? Have you ever daydreamed about marrying one? Well recently that dream became a reality for an African-American born actor named Meagan. She met a prince and married him in England. They had a who's who list of people in attendance. They have lots of flowers, big processions, horse drawn carriages, expensive cars, and a whole nation on pause to celebrate their special day. But have you ever wondered about what it will be like when you attend Heaven's royal wedding? There will be an endless list of attendees who are famous in their own rights. The Son of God, and Prince of Peace, will be on full display. Angelic choirs will sing the most beautiful songs. God himself will oversee the festivities. People like Daniel, Abraham, Jacob, Samson, Paul, Peter, John, Mary, and countless others will be in attendance. John, in Revelation, described this wedding in great detail. I remembered the words he spoke in Revelation 19:16. Immediately my mind began thinking, famous people of all time will bow down at His feet. I may get to kneel next to Abraham, David, or even possibly a disciple, but in the end will bow before Him as well. What a picture. When my life's entire journey is complete, I will be invited, attend, and partake in the greatest of all wedding celebrating in history, the Marriage of the Lamb. Nothing can match the display Heaven will reveal.

*Prayer: Lord, let me stay focused on you. Let me stay a bride true and pure until my marriage to you in Heaven. Never let me lose sight of the goal. In Jesus name, Amen!*
