Advanced Class: Dancing With Words

In *Dancing with Words* you will discover that storytelling can enable hearers to view history, values, culture, faith, life lessons, and other critical elements in ways that may be easily assimilated in memory. Through an understanding of the history of storytelling and of storytellers as keepers of beliefs, traditions, history, and values, you will find new meaning in the stories and the storytellers of the Bible and of the Christian faith; learn what makes a good story; discover your own style as a storyteller; and learn the techniques of effective storytelling.
