

Volume 2 Lesson 2 – What is Salvation?

Salvation is God's rescue plan to save us from our sins. Our sins have separated us from God and we cannot be close to Him. At the end of the book of Genesis, God launched His big rescue plan. God wants to save us from the stain of sin, the power of sin and the presence of sin. He wants to wash away our sins and give us the power to overcome our sins.

Memory verse: John 3:16

For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.
