**Covenant Bible Study Begins!** Tuesday, January 10th 7:00pm, COVENANT TRANSLATES INTO ACTIONS—into how we behave in our everyday lives. The book for these eight classes examine the practical challenges of faithful covenant life. We explore leadership problems among tribal chieftains, kings and prophets, and spiritual and political crises. They look for practical wisdom and guidance in the teachings of Israel's sages, the letters of Paul, and more. And by demonstrating how people of vastly different cultures came together in a common purpose, they show how faithful love is the root of the covenant life.
