Madisyn

**Glorious God of Life and Light, even as you broke into the sealed tomb so long ago, you break into the dark tombs we find ourselves in even today. You've rolled away stones and led us into the light of new days we never thought we would see. Remind us that you call us to bring others to the light of new life in your Son, our Savior. Remind us that we bring others to that light through the words we share, through the lives we live, and through the mission and ministry we empower through gifts of *time, talent, and treasure*. May our whole offering, our very lives, give testimony to life that overcomes death and light that defeats any darkness. In the risen Christ, we pray. Amen.**
