Basic Life Support Class **Thursday, May 4th** **6:30pm**

We never know when we might find ourselves in a position to provide basic life support. Giving full resuscitation including mouth-to-mouth breathing is not as important as providing Continuous Cardiac Compression Resuscitation (CCR) until help arrives. The Brodhead EMS will be here to provide a one night class at our church. Vicki Evenson will also provide basic information on the use of the Automated External Defibrillator (AED). Everyone is encouraged to attend this class.

This week we are praying for Montfort UMC, their pastor and their church family.

Prayers of peace and comfort for the family of Gladys Helland as they mourn her passing.

Prayers for health & healing for: *David Elmer, Jeanine Jackson, Tami Jacobson, Richard Steiner, Larry Boegli, Jerry Kamps, Mike Hodgson, Richard Becker, Nancy Acker*

Joys: safe travels, birds singing, beautiful weather, sons and daughters

Congratulations to our 2017 confirmands! It has been a pleasure having them in Confirmation for the last 2 years, and we are proud of all they have accomplished during this period of growth in their faith.
