### \*OPENING PRAYER (unison):

**Gracious God, who created the families of the earth, we commend to your care all of the families in this congregation, community, and the world. We pray that each home may be**

**a place where hope gives light to life. We pray for those homes where there is no hope—where there is danger, violence, fear, loneliness, hurtful words, and unceasing activity without reason. We pray for children, youth, and adults. We pray for parents, stepparents, and foster parents. We pray for couples. We pray for those who are alone. We pray for those who have formed families from friendship. May your grace be present to all. Grant us courage to look for signs of hope in our homes, in our communities, and in our world. Grant us hope, so that in times when we see only the mean actions of human to human, we remember your presence and the promise of your kingdom on earth and in heaven. Amen.**
