Apple Bazaar Craft Night

***Wednesday, June 26th
6:00pm***

We are starting a new ministry open to everyone! We encourage you all to come for an evening of crafting and fellowship. During the night, you are encouraged to make 2, and take 1. Our intent is to have the donated projects sold at the Apple Festival Bazaar in September.

For our first project we will be making **beaded wire stakes** for garden decorations. They are fun and easy to make. And they look great in the garden or potted plants for indoor or outdoor use. To cover the cost of this craft will be \$5 per project for supplies that are provided. Please come and help out the Apple Festival Bazaar and enjoy crafting and fellowship.

Interested in helping with VBS?

There is a donation board in the Narthex with lots of opportunities to help fill supply needs.

If you have time to donate the week of June 17th-21st, or are interested in helping with some of the projects before VBS, please see Ms. Tiff.

ComPIGtition 2019

Goal: 10 pigs...

4 left!

It's not too late to give!

Can you feel the excitement? We are ready for this year's ComPIGtition!

Our goal this year as a congregation is to raise \$550, or enough for approximately 10 pigs. Children and adults are encouraged to fill the Piggy Banks to help support this wonderful international mission project. Donating pigs helps families and communities to become self-sustainable.
