*Thank You*

As we begin the month of November, we have so much to be grateful for. We have had another grant written for 4 large boxes of office supplies—enough to share with local schools, missions, and OCC Shoeboxes! We have had a retired pastor generously give of his time and talents to allow Pastor Krystal time to recover from her illness. We have had donations of candy, stamps, bounce house, and Shoebox items in the last few weeks.

We encourage you to take time daily to find a reason for gratitude with your family this month. It is an amazing opportunity to lead not only your family, but your work, church, friends, and community toward a season of gratitude, grace, and peace.
