**People: We will trust in Him alone.**

**People: We will trust in Him alone.**

\*OPENING PRAYER: (unison) (based on Psalm 22:23-31)

**Let all the people praise our God, let all the people sing their praises, giving thanks for the generosity of our Generous God, who shows loving compassion and care to all people. Loving God, in a world that doubts everything it hears; and, even with wide open eyes, doubts everything it sees; we know we can trust you in all things. In a world that often scoffs at faith and trust in God, we praise you that every day you do continue to demonstrate your power in gentle words of encouragement, grace and mercy. So we praise you with hearts and minds filled with joyful trust, because you have never left us. We offer our praises to you O God, because of your faithfulness in listening and acting. May you always be praised! Amen.**

\*Offertory Prayer: (unison)

**How easy it is for us to be overwhelmed with the darkness of our world. No matter where we look, we see children who are hungry and youth in need of a loving community yearning for a sense of belonging. We see a world full of conflicts and destruction caused by the forces of nature. We feel so helpless. Yet, here we have a chance to make a difference with the gifts we give. How grateful we are for the opportunity to change what is into what might be. Thank you, God, for allowing us the pleasure of giving. Help our generous gifts be transformative in this community and beyond. Amen.**
