Leader: Let us worship the One who calls from the water the God of love and transformation.

### \*OPENING PRAYER

**God of love, in this time of worship, help us hear you claim us as your own as you call us beloved; help us claim our own identity as precious and honored, even in the face of voices that tell us differently. Strengthen us to do your work in this world, transforming our fragmented communities into your Beloved Community- which Jesus preached and lived. Amen.**
