Presentation of Father's Day donation to Sharon Pryce of Big Brothers/Big Sisters.

Stand and greet one another in Christian Love.

PRELUDE

*OPENING HYMN "Great is Thy Faithfulness" UMH#140

*CALL TO WORSHIP (based on Psalm 133)

Leader: Holy God, the Father of us all, we gather to worship you and to reaffirm our shared relationship as children of God.

People: With fatherly care, God welcomes us to our shared experiences of worship, fellowship, prayer and praise.

Leader: Renewing God, we gather to be re-invigorated in our worship, and in the witness and relationships that flows from worship.

People: Together and individually, we will be cleansed and refreshed by the holy winds of God's Spirit, as it blows around and within us.

Leader: The Lord our God gives new life and new blessings as we come together in the unity of one purpose – to praise and glorify God.

People: Blessings, honor, glory and power belongs to our God, the Father of all humanity – who claims us all as beloved children. Amen.

OPENING PRAYER

What a heritage we have, O God. Generations before us have experienced Your love, and passed that knowledge to us. Great-great-grandfathers and grandmothers lived

and prayed and sang their hymns to You. Now we enjoy that rich legacy and acknowledge the deep responsibility to pass it on once more. Be in our lives and in our worship this day, that we may follow in the footsteps of the great men and women of this church, community, and the Bible. Amen.

OFFERING

*Doxology

UMH#95

*Offertory Prayer

Heavenly Father, you have offered us such abundance. We are so very blessed. Yet, we often think that we have so little. Some of us may even feel as though our gift is too small. Thank you for reminding us that even our mustard seed-sized gift may grow beyond our individual possibility. So, today we place before you all amounts of gifts – some quarters from children, some \$1 bills from adults, some larger bills and checks – knowing that you transform our scarcity into your abundance. Thanks be to God. Amen.
