Make new friends, but keep the old

As we traveled 2,550 miles in eighteen days across Oklahoma, we established relationships with new friends, as well as reuniting with longtime friends and learning how God is moving in each of our lives! It's also amazing how quickly we grow close to brothers and sisters in Christ whom we have just met!

Reuniting with Shan & Andrea – Go OSU Cowboys!

We shared with many congregations, missions teams, and pastors about God's work in Botswana and our role working alongside the church leadership. We are excited to have several partner with us.

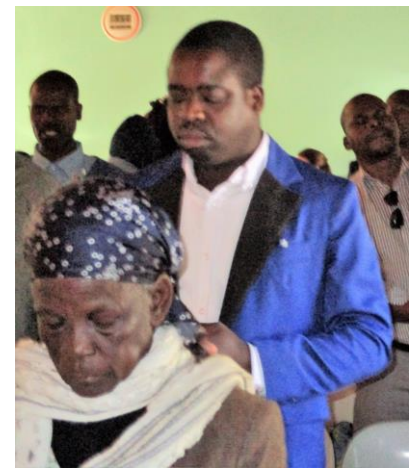

We are currently funded at 57.5% in our sustaining budget! To be fully funded, we need only 33 partners giving \$100 per month. Is God

asking you to partner with us to fulfill the Great Commission?

Commitment to Prayer

In August 2016 we visited Botswana on a vision trip, which confirmed our calling to serve there. We learned several lessons from the Church of God in Botswana.

Our brothers and sisters in Christ are a people of prayer! Since before our trip, they have met an hour before services in pray to glorify God as they seek Him. As a result, God is answering their prayers with the desire of their hearts—His loving presence, unity of purpose, a desire to share the love of Christ, and a revival among His people.

Imagine what God could do in and through us, the Church in North America, if we committed ourselves to fervently pray with a heart of 2 Chronicles 7:14!

Will you join us as we commit ourselves to prayer for global revival?

Blessings & peace,
Tim & Joy
