

THE PRESIDENT'S MESSAGE

Trish Aamoth

“Nothing is normal; everything is weird.” I heard this on the radio this week and it really struck home with me! 2020 is not turning out at all like I had planned! We can plan all we want, BUT that does not mean God will see those plans carried out in the way we hoped.

Four years ago when I created my “signature” for my email as LWML FL-GA District President, I selected II Corinthians 4:1 as my scripture verse: *Since God in His mercy has given us this mission, we never lose heart* (REV). There have been times over these four years where I have had to cling to that verse. Especially during these last five months!

“Nothing is normal; everything is weird” is not the only phrase that struck home with me this week. Indeed, God has pointed out scripture on a daily basis in a variety of sources:

...the God of all grace will himself restore, establish, and strengthen you on a firm foundation. (I Peter 5:10 all references REV)

...receive from Him full insight into His will ... you may bear fruit in active goodness of every kind, and grow in knowledge of God....give you ample strength to meet with fortitude and patience whatever comes... (Colossians 1:9)

Psalms 46 – The entire psalm, not just the “Be still” verse.

...let us hold fast to the faith we profess...Let us therefore boldly approach the throne of grace, in order that we may receive mercy and find grace to give us timely help. (Hebrews 4:14)

“Nothing is normal; everything is weird.” I share these passages as it may be a while before we can gather for church, zone, district, and national events, so I encourage you to be in God’s Word; stay close to Him even though we cannot be together as “normal”. It may not seem like it, but God continues to shower the FL-GA District with blessings throughout this time of

pandemic and social distancing. He has blessed us with creative minds, faithful leaders, and a willingness, even as Lutherans, to try new ways of doing things – like conducting LWML business and holding the 2020 President’s Equip Conference through virtual platforms and the USPS. It is imperative to keep our focus on God and His Word. I look forward to the day that things are “normal” and we can gather again!

On a personal note: I will miss giving my district president’s report to the convention and handing the gavel to the incoming District President. I will miss being able to visit with you all about what you are doing in your congregations and zones to *Serve the Lord with Gladness*. God in His mercy did give me this mission, and honor, of serving His church as district president. I am humbled, and grateful, for this opportunity and I pray the mission of the LWML FL-GA District is a little stronger for my service. I have been stretched. I have learned a great deal about leadership and myself. I have grown in my faith and in how I see others. When one steps out in faith to serve, God does bless the work and the individual.

Thank you all for your prayers, your support, your encouragement and especially for your service through Lutheran Women in Mission. I cherish the memories.

Your new LWML FL-GA District President, Vice President Mission Grants, Vice President Spiritual Growth, Financial Secretary, and Junior Pastoral Counselor will miss out on their formal installation before the convention; they will not even have an in-person transition meeting. However, they will be expected to jump in and begin their new duties immediately. They will benefit greatly from your prayers and support!

THE PRESIDENT'S MESSAGE continued from Page 1

Please, keep these new officers, along with the continuing officers, the Board of Directors and the 2020-2022 Mission Grants, in your prayers. Keep active in your zones and congregations – there are so many ways to serve while we social distance; check out the LWML website, especially the LWML Serving Saturday.

God in His mercy has given all of us this

LWML mission...there is no clause about deserting the mission due to pandemics or social unrest. Truly He has dispersed us to serve outside our physical church buildings!

Let us stay in His Word, seek Him wholeheartedly that we may find Him, and by finding Him, let us share Him and tell what He has done for us!

VP COMMUNICATIONS**Pat Powell**

It seems so odd not get together, either meeting in our societies, or coming together for our convention. Because we will not have an “in-person” convention, I’ll miss seeing LWML friends. It’s good we’re an adaptable bunch!

The Executive Committee has spent a lot of time in the past few months planning how to do the business of the LWML FL-GA District without an in-person convention. We have sent packets of information out to the delegates, posted them on the LWML FL-GA website, and on our Facebook page.

If you’re not a delegate, you may think this isn’t worth spending time to read. Here’s why you should: the delegates need to hear from their society members regarding how they should vote. The delegates are free to vote as they wish, but they represent YOU. It certainly helps them if they receive input from those they represent. How will they know what you think? Even though most societies are not meeting in person, you can still contact your

society delegate...and you should! You may not be sure who your delegate is, but your society president will know. We make important decisions when we vote, and YOU deserve to be heard!

Watch our Facebook page and the LWML FLGA District website (<http://flgalwml.com>) for more convention updates. That reminds me. We are SO blessed to have Louise Cox posting beautiful Bible verses every day on our Facebook page. And while I’ve been posting more news on the Facebook page this summer, I’d like to see us do more. We could use a volunteer who would have time to post more frequently than I do. If you’re interested, send me an email at patpowell912@yahoo.com

VP MISSION GRANTS**Gayle Caruso**

How can this be the end of the Biennium already? Thank you to everyone who sent in your mites even though you couldn’t meet. Our last two mission grants that we are showcasing are Infinite Blessings Scholarship Fund and New Missionaries to America, Mission Nation.

Infinite Blessings has used their grant funds to expand the number of scholarships that will support low income families with a Christian education promoting academic excellence and personal relationship with God. Trinity Evangelical Lutheran Church and School has the only Christian school in downtown Orlando and is caring for infants through grade 8.

New Missionaries to America, Mission Nation, is a program that was started in Naples, FL to give a voice to the missionaries that are coming to America. Using video interviews and books allow LCMS churches to know about the missionaries and show the way they can be supported. These new missionaries not only need our support, they need our prayers too. Mission Nation continues to produce books and videos that are located on their website of the missionaries so that their stories can be told to the nation.

Thank you for supporting our Mission Grants for the 2018-2020 biennium. Please keep praying for our grant and scholarship recipients and collecting your mites because our mighty mites can do mighty things in the kingdom of God.

VP MISSION SERVICE**Deaconess Liz Borth**

Our virtual biennial LWML FL-GA District Convention is unprecedented and affects the collecting and distribution of funds and service project materials. We need your help:

Hearts of Compassion Crosses for Losses, Servant Event

Wooden crosses with heart attachments go to persons or groups suffering a loss of any kind as a symbol of Christ's hope and promise of eternal life. Your LWML ladies write short notes of encouragement, hope, and compassion to accompany the heart crosses. Recipients are unknown. Let me know the number of members willing to participate, and I will send a package with specially designed cards and specific instructions as to what type of messages they should write. Completed cards go into an **unsealed** envelope, then collected into one envelope and mailed to Lutheran Church Charities by **September 30, 2020**.

Angel Flight Southeast, Gifts from the Heart

Volunteers use their private airplanes to help men, women, and children access long distance lifesaving help throughout a five-state area in the southeast. Each unit will collect cash and checks and mail all to me in one envelope. For any cash donations, I ask you write a check from your church or unit. Checks payable to **Angel Flight Southeast**. Deadline is **September 21, 2020**.

SCHOLARSHIP CHAIRMAN**Carol Alberts**

John Kyle and Greg Barto, two of our scholarship recipients were recently ordained. Both are very grateful for the support they have received from LWML and John said "I can't think of a higher honor on this earth than to serve Him and His people at and around His altar."

Scholarships were awarded to the following students:

Pastoral: Christian Einertson, Joshua LeBorious, Nicholas Sinatra; DCE: Miranda Macking; Deaconess: Erin Dewberry and Erin Brauckman; and Teacher: Nathan LeBorious and Gracie Griffin. Love Gifts were awarded to Aaron Hickey (Pastor), Hannah Engwall (Director of Parish Music) and Peter LeBorious (Specific Ministry Pastor), who also received Kuiper Endowment funding. Please pray for our recipients for the extra challenges they face as classes resume.

VP SPIRITUAL GROWTH**Louise Cox**

These past five months have brought so many changes and challenges to our daily lives. Although we will not gather for convention as part of the Florida-Georgia District President's Equip Conference which we so eagerly anticipated, nothing can deter the LWML FL-GA District from sharing the Gospel message and using their gifts in ministry to the people of the world! All convention business will be accomplished, just not in person.

The President's Equip Conference will be a virtual event and I encourage you to register. Don't miss the informative keynote speaker, David Kinnaman, President of Barna Research, Bible study led by author and LWMLer, Donna Snow, and entertainment by the Skit Guys, who are sure to bring you laughter which we all need these days.

Need mite boxes or LWML merchandise? You

can shop online at www.lwml.org. There are several new "purple" items. Explore the website; it's a treasure trove of free downloadable resources: Bible studies, devotions, Prayer Service, LWML Sunday materials, bookmarks to color and monthly Mite Box Challenge Calendar.

A framed print in my foyer reads: "The Will of God will never take you where the Grace of God will not protect you." In this time of uncertainty, it's a great reminder to be in fervent prayer and God's Word daily. *Let us then with confidence draw near to the throne of grace, that we may receive mercy and find grace to help in time of need* (Hebrews 4:16). May God bless you with His peace, love and grace.

**MISSION TRIP COORDINATOR****Scarlet Holcombe**

Greetings to all of you, and I hope you all are well and healthy amidst this pandemic.

COVID=19 has claimed another event. Our mission trip to Flint, Michigan and the Franklin Avenue Mission was cancelled. We are so disappointed that we were not able to physically assist this group in their mission of helping others in so many ways,

Just to let you know, their mission continues. According to Rachel Siemen, Director of Mission Operations, they still serve take out meals every Tuesday and Thursday and have seen the numbers increase as this goes on. They are now up to 230 meals per night.

Most of their members have stayed healthy. The few that have gotten sick have made full recoveries! Praise the Lord for that!

They can still use support and prayers.

Please consider donating.

The Lord, in His infinite wisdom, has sent us scientists who are working right now on treatments and vaccines. Stay safe, follow sanitary protocols and listen to the facts. We will get through this. We serve a mighty and awesome God, who sent His only son, Jesus Christ, to die for our sins. We are blessed, we are saved and we are chosen! Remember that!

COUNSELOR'S CORNER

SR. COUNSELOR— Rev. Alan Koch

Gabriel said to Daniel during a terrifying vision, “**Do not be afraid**, Daniel....” (Daniel 10:12). To the Virgin Mary, “**Do not be afraid**, Mary; you have found favor with God. You will conceive and give birth to a son, and... call him Jesus.” (Luke 1:30-31). To the shepherds on the Bethlehem hillside, “**Do not be afraid**. I bring you good news.... Today... a Savior has been born to you; he is the Messiah, the Lord.” (Luke 2:10-11). I believe that same angel commands us the same: “**Do not be afraid.**”

In the koine Greek of the New Testament, two different words say, “do not be afraid”. One means “**do not start being afraid**”, while the other recognizes someone is already afraid, but it is time to **stop being afraid**. Today with COVID=19, many are already afraid, and even scared to death! Frozen in their tracks for fear of getting it or giving it to someone they love. This human response is normal, however, as Christians we also need a faith-filled response! If our humanity wins, we could shelter in place for years. Let’s see how God would have us respond:

God gave leadership of Israel to Joshua. He is preparing to enter the Promised Land, where the same “giants” lived as they did forty years earlier when Israel had refused to enter. What is different for Israel now? Why not still afraid to cross the Jordan River? Read Joshua 1:1-9 and see if you can find the difference:

After the death of Moses..., the LORD said to Joshua..., “Moses my servant is dead. Now..., go over this Jordan, you and all this people, into the land that I am giving to... the people of Israel.... No man shall be able to stand before you all the days of your life. Just as I was with Moses, so I will be with you. I will not leave... you. **Be strong and courageous**, for you shall cause this people to inherit the land that I swore to their fathers to give them. Only **be strong and very courageous**.... This Book of the Law shall not depart from your mouth, but you shall meditate on it; ...you will make your way prosperous...; you will have good success. Have I not commanded you? **Be strong and**

courageous. Do not be frightened, and do not be dismayed, for the Lord your God is with you wherever you go.”

How does God want you to react to a threat such as we are experiencing today? Israel had not quite accepted him as their leader, he had not proven himself. God said, “I have your back! I am giving you this land. No man shall be able to stand before you. If you follow my commands in the Books of Moses, you will have good success.” So, “be strong and courageous”! I can’t imagine a better response to our uncertainties today! Don’t cower because of what might happen. Be strong and courageous! Don’t freeze in place out of fear. Be strong and courageous! Don’t stop all activities in your life. Be strong and courageous! Stop being afraid! Fear causes us to make some pretty silly decisions. Be strong and courageous!

BUT don’t be careless. Don’t tempt the Lord by putting yourself into situations that almost guarantee you will develop a problem. No more than driving 100 mph through a neighborhood and expecting nothing to go wrong, don’t place yourself in harm’s way regarding the virus.

Go to church. My congregation has been back for our regular two services, since Mother’s Day. Wear a mask. Wash your hands often. But stop being afraid! Be strong and courageous! You can even share the peace and give someone a hug if you are wearing a mask and turn your head away from the face of the other person! Wearing masks makes hymns of praise a bit muffled, but they are still hymns of praise!! The choir even sings with masks. It is wonderful! Serve the Lord with gladness!

“How beautiful... are the feet of those who... proclaim peace, who... proclaim salvation, who say to Zion, “Your God reigns.” (Isaiah in 52:7)

Yes, our God reigns over all. And through LWML we bring good news and proclaim peace, salvation, and hope to others through our mission work. As servants in heart and mind, we bring our Lord's goodness and mercy to this world, giving God glory for all our blessings and accomplishments.

Our zone is still working during COVID=19. We plan to hold a virtual 2020 Fall Rally in November, using ***God is our refuge and strength, a very present help in trouble. Therefore, we will not fear though the earth gives way, though the mountains be moved into the heart of the sea. (Psalm 46:1-2 ESV)***

Even with many cancellations, we can still stay in touch helping neighbors prepare for hurricanes, or praying with those fighting illness, loneliness, job loss, and financial difficulties. We can donate to food banks, blood banks, and first responders. We can also gratefully increase our personal time with the Lord.

In good news, our new Alzheimer's Community Care Center, St. Lucie West, is under construction jointly with Grace Lutheran Church. Please pray for this community effort.

Trinity, Savannah, GA. and **Bombas** share a sock partnership we'd like to share with you. Bombas' goal is to impact poorer U.S. communities. The more socks sold, the more donated to organizations. Socks are the top need of homeless shelters. The donated socks are engineered with an anti-microbial treatment that don't need to be washed daily, and reinforced seams and dark color give them greater durability.

This is our third year of partnership with Bombas, and Trinity's large allocation will arrive late September, sizes XS to XL, 250 pair per box. We receive them free with no shipping charge.

If you have homeless or low income family ministries, and are interested in this, send an email to SocksTLC@hotmail.com. Include your church name, address, contact person, number of boxes and where you plan to distribute them. They will be first come, first served. Bombas' guidelines: for homeless or low-income families; cannot be sold, raffled, or given as prizes; and for domestic use (no overseas missions). They love pics when socks are distributed. Photos can be sent to email above. Available for pick-up only in October. Questions: Karen Hanovich at 912-656-6511.

Jennifer Lenchner - President

Tropical Zone has stayed connected through the internet and individual Society outreach missions. Due to COVID=19, we hosted our first Video Rally with over twenty ladies and three pastors, all from the comfort of home. Lutheran Church of Nassau attended a rally they normally can't. We enjoyed much needed chat and face time. The *Evangel*, Convention, and the LWML websites were shared. Devotion was led by Pastor Counselor, Reverend Dennis Bartels. Much laughing and catching up with old friends went on! Convention, the Missions and Mites were the focus, but the LWML fellowship was most uplifting.

Holy Cross Lutheran LWML sends homemade and virtual cards to those who need them. The ladies take photos and videos of greeting cards they handcraft or create virtually and text or email them.

Concordia Lutheran LWML hosts video meetings to keep their societies in the loop. They also hosted mission projects such as clothing donations for foster children, plus food & school supplies for UP-START (helping displaced Dade County School families). One member, Jan Schur, made purse organizers to sell for fund raising.

We still hope to hold a fall rally in October or November.

Ladies of **Holy Cross, The Cross Mt Dora, Trinity, and Prince of Peace** have kept busy sewing masks for the Atlantic District (over 300) and local hospitals (over 1500). We are all looking forward to the history making upcoming virtual convention in September.
