From the Pastor's Study...

Dear Beulah Family,

As we enter this new year, my heart and mind is on missions. I have been invited to return to Montana to celebrate with my former church, South Hills Baptist Fellowship, their 20th anniversary. What a joy it is that the Lord allowed me to be a part of His work in Montana for 5 years and now to partici-

pate in the 20th anniversary celebration of a church that is solidly founded on Christ and is still growing for His glory. I was privileged to be there when we celebrated their 10th anniversary. It was truly a blessing to hear the testimonies of the charter members of the church and how Jesus changed their lives. They were saved through the faithful work of NAMB missionary and church planter Dewayne Thompson sharing the love of Jesus. It was a great blessing to baptize Joseph Flynn, (who had been recently saved in the church AWANA program and was the son of a charter member Faron Flynn) in the same pool where his dad had been baptized 10 years previous. It was another miracle when we had a special service in the same hotel meeting room where the church first met and another child of a charter member baptized in the same pool came forward. Little Mari Pizzinni came forward and received Christ as her personal Savior. Our God is an awesome God! We were beginning to see the power of the gospel in families and a new Christian heritage being born.

I am also thinking of missions as we make exciting preparations for our church mission trip this coming summer. We will be traveling back to Montana to the Fort Belknap Indian Reservation. This will be a great mission adventure as many if not all of the mission team will take a cross county bus trip passing all sorts of historical landmarks and following the way of other great missionaries to the American west, like William Wesley Van Orsdell. We will be doing Vacation Bible School for the Indian children on the reservation. What wonderful miracles of God we will have to share when we return home to Beulah.

And lastly I am thinking of missions as we launch our new mission outreach sports ministry that is called UPWARD. It is called UPWARD for a reason. We should be looking UPWARD, expecting our Savior Jesus to return at any time for His church. We should be striving UPWARD in our daily walk with the Lord, that we would be found faithful followers of Christ when He returns. And last but not least we should be pointing others UPWARD, showing others the way to heaven through Jesus Christ. What a great privilege He has given us to be His missionaries in the Beulah community and share in His work in Alabama. Montana and even around the globe through our praying, giving and going. ON A MISSION FOR JESUS ... Pastor Tony
