To Whom it May Concern,

Greetings! My name is Tom Hardeman. I have the privilege of serving as Head of School for Faith Academy in Manila, Philippines. Faith Academy is a Pre-K through grade 12 school for the children of missionaries serving throughout Asia. For 59 years now we have been about the business of partnering with missions by educating MKs (missionary kids). Currently we have about 530 students enrolled this year.

This is a critical partnering that for many serving on the field means the difference between being able to stay and continue to plant churches, share the gospel, run the orphanage, translate the Bible or any number of the other many things our parents do, or needing to return to their home country in order to provide for the educational needs of their children.

In order to keep the educational costs as low as possible for the missionary families the school **does not pay** any of the missionary staff. All of us (myself included) have to raise our own support through churches and individuals giving to the mission organization we serve under.

Mr. Trevor Loken has been slotted for two essential positions in our Middle School this year. We have an urgent need this year for a Bible teacher and a Computer teacher. Our regular teachers are on a year of home assignment. This leaves us critically short in our Bible and Computer departments. We are counting on Mr. Loken to fill these critical positions on our staff for this year.

Help us to continue to partner with the missionaries in the area. Please join Mr. Loken's support team and help to make it possible for him to join the team here. This is an investment in God's kingdom work as many of our graduates return to either work on the mission field as missionaries themselves, or go into full time Christian work.

Thank you for considering this. I'd be most happy to answer any questions you might have and can be contacted at tom.hardeman@faith.edu.ph

Serving in the Philippines,

Tom Hardeman
