Family Fun

Tuesday, March 24, 2020

Each week, hopefully on Tuesday, we will post on St. Andrews/Zion Facebook Page, lessons, colouring, crafts and/or other activities for the following Sunday. It is hoped that in this time when worship and Sunday school are not possible that families can make time together to learn of God and his amazing love, have fun and just enjoy being together. Please give copies to others who would use them.

You will need to have a computer and printer or at least the use of them.

At the proper time we will learn of Palm Sunday, Holy Week and Easter.
You can use as little or as much as you wish.

I make one request. If you use the material, if possible, take pictures of the completed items or of those engaging in the activity and send them to me. I would like to show the work on our Facebook Page. Obviously there would be not personal information about the pictures or where they come from. I would like to make a record of what we do for future parish reference and if allowed to share what we are doing with others through our Facebook page.

I pray this will be a blessing to many.

Thank you
