

Lenten Craft – Butterfly – Imitation Stain Glass

Items Needed

1. Download and print Instruction File
2. Craft Glue or glue sticks
3. Coloured paper or Bristol board
4. Strips of brightly coloured tissue paper 1-2 inches wide.
5. Scissors

Instructions

1. Using the butterfly Pattern in the Instruction file, either photo copy pattern on to coloured paper, us the thicker paper if you have it. Or Cut out the pattern and use it as a stencil to trace pattern on to paper or Bristol board.
2. Cut out the butterfly.
3. Cut enough brightly coloured strips of Tissue paper to cover the butterfly.
4. Glue the strips of tissue paper on to the butterfly. Put glue on the butterfly pattern then press tissue over the pattern Be sure to glue tissue on the side that is marked from tracing or photocopying.

5. Leave to dry
6. Cut excess tissue of the edge of the butterfly
7. Hang or tape in window.
