## Leader's Notes

## God's Call to Abram

God knew that sin needed to be defeated once and for all. That was the only way we could be restored to him. His plan wasn't an easy one. It involved the suffering and death of his one and only son. His son had to carry the burden of all of our sins – including your sins and my sins. But there is good news. His son didn't stay dead. After three days in the tomb, he rose from the dead – defeating sin and death for people.
