

NEW OPPORTUNITIES WITH NEW POSSIBILITIES!

Deuteronomy 11:24-28

Pastor DeWayne F. Davis Sr. 1-6-19

What if I told you that whatever it is you deeply desire to obtain this year in your personal life or what we could dream of together for this church could be done? Would you believe me?

God has shown Himself throughout history to be the God new opportunities!

1. THE PROMISE OF THE NEW OPPORTUNITY – v. 24

a) What God has planned – **24b** God's purpose and plan for our lives has already been laid out. He knows ahead of time what He desires for our lives. *Ephesians 2:10* And it is always big, so we depend on Him.

In Israel's future, after they had been taken into Babylonian captivity for their disobedience, God still planned for them to enjoy new opportunities! *Isaiah 43:14-21*

b) What we pursue - **v.24a** God will go with us into His plan as far as we will go into it. *2 Kings 5:9-15*. What is it about your situation that God expects you to do before you realize the promise you're hoping to obtain?

2. THE PROTECTION OF THE OPPORTUNITY – v. 25

God shows us that the success of our opportunity rests depends upon Him because we will face some severe opponents, adversaries and enemies! *Joshua 1:5-6; Acts 18:9-11; Isaiah 54:17; Daniel 4:35*

3. THE PRICE OF THE OPPORTUNITY – vss. 26-28

- We have to pay the price of consistent obedience to the Word of God.
- The power of our choice will show the object of our dependency.
- Israel came out of Egypt having learned the Egyptians methods of living their lives. God rescued them from that, but when hard times came in the wilderness, they wanted to go back to using their old way of life.

If you want to take advantage of the opportunities God has for you, you must build according to the Word of God. *Matthew 7:24-27; Psalms 19:10-11*
