

Orion's  
University  
College for Kids

**NOW HIRING!!**

**Part-Time After School Instructors \$15/hr**

## About Orion's University

Orion's University—College for Kids—is a comprehensive, on-site program that aims to enrich the lives of young people during the before and after school time period. Orion's University features a broad selection of amenities including enrichment activities, homework assistance, physical fitness, health awareness programs, athletics programs, leadership programs, and social-emotional development programs.

### About the Position:

*Instructors will use guided curriculum designed exclusively for the Orion's University program. With a class size of 20 students, instructors will engage and support students to reach their creative and academic potential.*

### What We Are Looking For:

- Organized, enthusiastic, and fun individuals
- Minimum of 60 college credits
- Must pass background check and tuberculosis (TB) test
- Experience with classroom/behavior management
- Experienced certified teachers preferred
- Bilingual a plus

*Be Part of an Exciting and Unique Opportunity to Ignite Students' Passion for Learning!!*
