### **What do you wish more people knew about Christ the King?**

??????

That the church is inclusive, kid friendly, and has a large heart and great sermons.

That it is a caring and loving community, that can strengthen the Quincy community.

Open to all

our presence

How great Matt is

Where it is, what it does, how inclusive we are, how much love we have to give

Open mindedness and nonjudgemental attitude that is refreshing and real. Walking love.

How similar we are to Methodist, Lutheran congregations

How open and accepting it is: the congregation & Father Matt.

How wonderful it is

How welcoming everyone is.

That we exist!

Very welcoming and warm

How nonjudgmental of a church it is. No clicks and very welcoming.

That CTK is a casual place to worship.

### **What should be a goal for Christ the King this year?**

souls

Outreach and making the church more visible

Continue to grow the parish.

Start an adult choir.

increase attendance

Sustain momentum of growth

Draw more people in, then nurture them

Who am I to say.... but, love and humanity.

Try to grow the congregation and children's programs

Having an after school program.

To continue to grow

Could not really say.

Outreach !

Build congregation so can have a choir or get a songbook CD for the organ so we don't sound as bad when the key vocalists are absent.

Increase new members.

**Is there anything else you'd like to share with the Parish?**

?????

Fr. Matt, you're doing a great job. Keep it up...

I truly enjoy attending worship and the culture of the Episcopal Church.

I hope we can get the preschool going there

I wanted to explain my answers to the section on what it would take to increase my pledge. The only thing that prevents me from giving more is my current financial situation. My long-term goal is to tithe, and right now I'm more than a third of the way there.

Once I achieve that goal, I could envision making specific donations for any of the things listed.

Really worried about family members. I enjoy being a part of the church.

What a lovely group of good-hearted and welcoming people.

It's a wonderful group of people and I am so thankful to worship with them

I really enjoy the Episcopal Church and church family.

CTK is bringing in families. That's a gift to everyone!

I'm really enjoying church. After I go, I always feel so good for the rest of the week. Possibly low key way for me to get baptized here at CTK Parish?

Father Matt does excellent sermons relative to current issues.

## Stewardship

Do you currently support the financial needs of the parish?

Do you plan to make a financial pledge this upcoming fall?

Every year, our personal/family finances change. As of right now, do you anticipate:

A financial pledge is one way to support the needs of the parish. Fundraisers are another way to support the mission of the church. What do you think of parish fundraisers? (Please select the statement that is closest to your opinion)

If you had a question about making a pledge, where would you go for answers?

In what ways would you like to hear about the Church's financial needs and pledging opportunities?

For a parish our size, the greatest single expense is personnel costs (Fr. Matt's salary and retirement). What is your impression of how much Fr. Matt works?

**For the following questions, please indicate how strongly you agree or disagree with the provided statement.**

I would increase my pledge if I knew where the money was going ahead of time.

I would increase my pledge if I knew there was a specific need.

I would increase my pledge if I knew it would increase the number of programs held at CTK.

I would increase my pledge if I knew it would increase the level of outreach (giving to other charitable organizations/causes) performed by CTK.

I would increase my pledge if I knew it would help update the church's buildings and grounds.

I would increase my pledge if I knew it would increase Children/Family ministries.
