"A Bible Based Community Church"

"A Shining Light On The Hill"

"A Beacon of Light, Life & Love On The Hill"

Dear Church Family,

First of all, I want to express my deep appreciation "to you" and "for you" during this very challenging time in the life of our Nation and World. It is encouraging and heartening to know so many of you living out your faith in real-time!

As a result of the Coronavirus, we as a church are experiencing issues we would never have anticipated only a few short weeks ago. Many of you have seen the constant updates with the words "flatten the curve" involved. Of course, you can Google that for yourself, but the main idea is that we need to see infections begin to flatline. Ultimately, the infections will start to go down, and we can start to pull out of this crisis.

As you know, many businesses have either closed or have cut hours drastically to limit contact between employees and customers. While this whole thing "goes against the grain" of what we as a church are all about, we believe it is time to be good neighbors in our community and adhere to the current CORONAVIRUS Task Force Guidelines.

That said, even though we want to and/or seem to make and/or consider decisions those decisions seem to become outdated only the next day due to new announcements from the CORONAVIRUS Task Force, our President, Governor and/or local community.

Here is an important reminder: The CHURCH is the PEOPLE! The Building is a BUILDING where the Church usually meets! For now, we're just going to do things a bit differently.

With this in mind, we are going to take the following course of action:

Effective immediately all services and/or functions on site are cancelled and/or suspended until further notice. We will continue to monitor and evaluate the situation to help determine future plans and will advise accordingly.

We will do our best to Livestream services even if it consists of a few members of the worship team (Andy Hogue & Justin Michael) and/or a message by Pastor Charles.

You may visit our website at <https://www.churchonthehilljonestown.com> or our Facebook page – <http://www.facebook.com/cothjonestown> to view the broadcasts. Please be sure to say "hello" in the comments area and share, share, share! People will be thirsty for God during this time.

We are going to be doing our best to explore ways we as a church can be a blessing in ministry to our community during this time. We don't just want to "hide out" but find safe and effective avenues to minister to others. If you have any ideas, don't hesitate to let us know by providing your comments, questions, concerns and/or recommendations via the link on our church website Homepage or eMailing same to coth1431@outlook.com.

Please continue to give as you are able and be obedient to God at this time. Feel free to continue your tithing by sending your tithes and offerings through "snail mail" – to the church – Church On The Hill Jonestown, PO Box 5205, Jonestown, TX 78645.

We are going to come THROUGH this and will have greater victory on the other side! It's time to pray and seek God for answers, yet, we must use wisdom and again, be a good neighbor.

We love and appreciate you – please take care,

Pastor Charles Murphy and Church Leadership
