

Serious Life Threatening Policy

Policy: Tulakogee Conference Center

Tulakogee (KMAK) is prepared to administer *first-aid* for their campers. It is EXTREMELY important that the camp administration be made AWARE of ANY situation that requires medical attention beyond *first-aid*:

Examples of but NOT exclusive are:

1. Leukemia – Cancer (under Rx)
2. Diabetic Types I & II
3. Severe Asthmatics (requiring emergency on person inhalers or nebulizers)
4. Chemotherapy
5. Heart condition
6. Organ transplant recipient or on list
7. Growth hormones
8. Severe allergies to insects, food, etc. requiring epi-pen or other extreme meds

Tulakogee administration will evaluate each situation individually in determining what measures need to be taken to ensure the camper's safety and wellbeing during their stay.

Please complete this form and return to your church/organization administration prior to registering for camp.
