## From Bro. Otis.

Hello, everyone. I trust you are having a blessed summer. There should be no doubt that summer is truly here considering the hot temperatures and the continuing drought. However, as I am writing this article, the temperature is in the 70's and we have just gotten a nice shower. What a great God we serve! Just when we are thinking the weather is unbearable, God sends cooler weather and a bonus of some much needed rain.

Jan and I have just returned from KBA where we attended perhaps our last camp as DOM. What a blessing this camp has been for Jan and I for more than twenty years. This year has especially been a great year. During the youth camp, we had more than 100 in our cabin, which is quite a challenge. During this past week at children's camp, we fed 141 each meal. Our maximum is 144. We are blessed with some great cooks led by head cook Kyle Cummings. We had great food and plenty of it each meal. Getting 141 through the food line took about forty minutes. We praise the Lord for all the salvations this past week, several of them from the Frisco Cabin.

August is the month we start our planning for next year. There are several things we need to be reminded of. The nominating committee will be meeting soon to recommend directors for different Association ministries. Please be in prayer about serving in one of these ministries. If you would like to submit a resolution for our annual meeting, it must be in the office by September 12, 2018.

Our disaster relief/chainsaw team has not been quiet as busy this year as some years in the past. However, they have been called out a few times this year. We are thankful that we have not had nearly as many tornadoes this year in Oklahoma as in the past. Please be in prayer about serving in one of the brotherhood ministries. Both the Nail Benders for Christ and the Disaster Relief teams need more people to serve. Call the Association office if you feel led to serve.

The Wild Game Feed will be here shortly. This is a great ministry for our men. The Wild Game Feed offers an opportunity for our men to come together and enjoy a time of good fellowship, music,

great food and the sharing of God's word. What a great opportunity to come together and support and encourage each other. This is also an opportunity to reach out to other men that need to experience Christian fellowship and hear a clear presentation of the gospel of Jesus Christ. I would like to encourage and challenge each man to be seriously thinking about someone that doesn't attend church and to begin praying for them and invite them to attend the wild game feast.

Door prizes are a big part of the wild game feast. Both churches and individuals can give a door prize. Each door prize must be labeled. Therefore, it is good to get your door prize to the Association office as soon as possible.

We thank God for our new pastors, and we thank God for each of you and all you do for the kingdom.

Bro. Otis
