

Now That's Living!

a group study through Ephesians

Thought Questions from Episode 4

1. Paul says we were “dead” and “deserving wrath” because of our transgressions and sins. Is that how you have viewed your life before Christ? How does that realization affect how we value our salvation?
2. Paul says God demonstrated love, mercy, and grace to us by restoring us to life. Tell of a time when you realized that depth of God’s love and mercy.
3. Compare 2:4-6 with Paul’s earlier description of God’s power in 1:19-21. How would you describe God’s salvation as being like the miraculous resurrection of Jesus?
4. What is the impact of hearing that you are the handiwork or masterpiece of God?
5. Paul says we were created to do “good works”. What do you see God has prepared you to do?
