“Even as the Son of Man came not to be served but to serve, and to give His Life as a ransom for many.” Matthew 20:28

TIPS FOR PARENTS: Here are a few suggestions to follow to help in developing character within your child.

1. Hold your children accountable for the things for which they are responsible.
2. Be an example of character yourself — follow through on your word. Let your behavior be a good example.
3. Surround your child with good examples of character in real life. Connect them with extended family members, church members and friends in the community.
4. Read the great character stories of the Bible to them on a regular basis.
5. Read other stories (or have them read stories) of good examples of character, both fictional and especially real life stories.
6. Make use of those teachable moments where you can clearly distinguish right from wrong, helping them understand the better way to act, talk or do something.
7. Find ways for them to experience service and sacrifice for the good of others.
8. Bring them to God’s house regularly.

It's getting colder! Make sure your child has the appropriate clothing for outside play, EVERY DAY!

Please note that there is no school on Friday, October 30! It is a Teacher In-service day!
